

Washington Mutual, Inc.
Award of a Grant for Rural Education
to the
The Edward Teller Education Center (ETEC)

October 15, 2002

Washington Mutual, Inc., will award the Edward Teller Education Center (ETEC) a grant to support professional development for science educators working in rural communities. This grant is the result of ETEC's participation in the Rural Education Summit sponsored by California Senator Richard Monteith and Assemblyman Dennis Cardoza in October 2001.

This is the first non-University of California grant awarded to ETEC. Dr. Edward Teller will accept the award on behalf of this University of California teacher professional development center named for him.
