Wanted - Project/Restoration Car

Greetings,

I'm looking for a low cost project car/truck for restoring with my kids. Notional thoughts are 1964 thru 1970 Chevys, 1964 thru 1968 Mustangs, late model Corvettes or Mustangs, Jeep Wagoneer's, VW microbus.

Not running is okay, I'm mainly focused on a solid body/rolling chassis where most of the parts are there but needs some TLC...something to teach the kids about fundamental automotive technology.

Thanks!
