

FUN WITH SCIENCE

Free! FUN WITH SCIENCE FIELD TRIPS AT LLNL

Fifth grade classes are invited to Fun with Science at the Discovery Center at the Lawrence Livermore National Laboratory. At Fun With Science, students enjoy interactive science experiments, group activities, and science displays. Fun With Science is matched to California State Science Standards for the fifth grade.

The Discovery Center is located off Greenville Road on Eastgate Drive in Livermore.

- 9-10 a.m Explore the Discovery Center, ride the Energy Bikes and play the Scavenger Hunt.
- 10-11:30 a.m: Interactive, hands-on experiments involving basic concepts in chemistry, density, states of matter, air pressure, and electricity.

REGISTER YOUR CLASS NOW: Registration is limited to fifth grade students. One class per registration form (20 students minimum, 47 maximum). Please inform us of anyone that has a medically implanted device, such as a pacemaker or insulin pump, or is subject to epileptic seizures.
