Cost Share Summary Tables by Benefit

How to read the Cost Share summary tables

Each table below explains the Cost Share for a category of benefits. Specific Services related to the benefit are described in the first column of each table. For a detailed description of coverage for a particular benefit, please refer to the same benefit heading in the "Benefits" section of this *EOC*.

- **Copayment / Coinsurance**. This column describes the Cost Share you will pay for Services after you have met your Plan Deductible or Drug Deductible, if applicable. (Please see the "Deductible(s) and Out-of-Pocket Maximum(s)" section above to determine if your plan includes deductibles.) If the Services are not covered in your plan, this column will read "Not covered." If we provide an Allowance that you can use toward the cost of the Services, this column will include the Allowance.
- **Subject to Deductible**. This column explains whether the Cost Share you pay for Services is subject to a Plan Deductible or Drug Deducible. If the Services are subject to a deductible, you will pay Charges for those Services until you have met your deductible. If the Services are subject to a deductible, there will be a "✓" or "●" in this column, depending on which deductible applies ("✓" for Plan Deductible, "●" for Drug Deductible). If the Services do not apply to a deductible, or if your plan does not include a deductible, this column will be blank. For a more detailed explanation of deductibles, please refer to "Plan Deductible" and "Drug Deductible" in the "Benefits" section of this *EOC*.
- **OOPM**. This column explains whether the Cost Share you pay for Services counts toward the Plan Out-of-Pocket Maximum ("OOPM") after you have met any applicable deductible. If the Services count toward the Plan OOPM, there will be a "✓" in this column. If the Services do not count toward the Plan OOPM, this column will be blank. For a more detailed explanation of the Plan OOPM, please refer to "Plan Out-of-Pocket Maximum" heading in the "Benefits" section of this *EOC*.

Introduction

This *Evidence of Coverage* (*"EOC"*) describes the health care coverage of "Kaiser Permanente HSA-Qualified High Deductible Health Plan ("HDHP") HMO" provided under the *Group Agreement* (*"Agreement"*) between Kaiser Foundation Health Plan, Inc. ("Health Plan") and the entity with which Health Plan has entered into the *Agreement* (your "Group").

This *EOC* is part of the *Agreement* between Health Plan and your Group. The *Agreement* contains additional terms such as Premiums, when coverage can change, the effective date of coverage, and the effective date of termination. The *Agreement* must be consulted to determine the exact terms of coverage. A copy of the *Agreement* is available from your Group.

Once enrolled in other coverage made available through Health Plan, that other plan's evidence of coverage cannot be cancelled without cancelling coverage under this *EOC*, unless the change is made during open enrollment or a special enrollment period.

For benefits provided under any other program offered by your Group (for example, workers compensation benefits), refer to your Group's materials.

In this *EOC*, Health Plan is sometimes referred to as "we" or "us." Members are sometimes referred to as "you." Some capitalized terms have special meaning in this *EOC*; please see the "Definitions" section for terms you should know.

It is important to familiarize yourself with your coverage by reading this *EOC* completely, so that you can take full advantage of your Health Plan benefits. Also, if you have special health care needs, please carefully read the sections that apply to you.

About Kaiser Permanente

PLEASE READ THE FOLLOWING INFORMATION SO THAT YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS YOU MAY GET HEALTH CARE.

When you join Kaiser Permanente, you are enrolling in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), which we call your "Home Region." The coverage information in this *EOC* applies when you obtain care in your Home Region. When you visit the other California Region, you may receive care as described in "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section.

Kaiser Permanente provides Services directly to our Members through an integrated medical care program. Health Plan, Plan Hospitals, and the Medical Group work together to provide our Members with quality care. Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*. Plus, our health education programs offer you great ways to protect and improve your health.

We provide covered Services to Members using Plan Providers located in our Service Area, which is described in the "Definitions" section. You must receive all covered care from Plan Providers inside our Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in the "How to Obtain Services" section
- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits" section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency Services and Urgent Care" section
- Hospice care as described under "Hospice Care" in the "Benefits" section
- Visiting Member Services as described under "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section

Your Plan

Your plan is a health benefit plan that meets the requirements of Section 223(c)(2) of the Internal Revenue Code. This health benefit plan is a High Deductible Health Plan. The health care coverage described in this *EOC* is designed to be compatible for use with a Health Savings Account ("HSA") under federal tax law.

The tax references contained in this *EOC* relate to federal income tax only. The tax treatment of Health Savings Account contributions and distributions under your state's income tax laws may differ from the federal tax treatment, and differs from state to state. Health Plan

does not provide tax advice. You should consult with your financial or tax advisor for tax advice or more information, including information about your eligibility for a Health Savings Account.

Please be aware that enrollment in a High Deductible Health Plan that is compatible for use with a Health Savings Account is only one of the eligibility requirements for establishing and contributing to a Health Savings Account. For example, you will not be eligible to establish or contribute to a Health Savings Account if any of the following are true:

- You have other health care coverage in addition to the coverage under this *EOC*, unless both coverages qualify as High Deductible Health Plans, with certain exceptions
- You have Medicare coverage
- You can be claimed as a dependent on another person's tax return

If your Group provides a Health Reimbursement Arrangement ("HRA"), Health Incentive Account ("HIA"), or Flexible Spending Account ("FSA"), you may be able to use funds in the HRA, HIA, or FSA to pay Copayments, Coinsurance, and deductibles under this plan. However, most HRAs, HIAs, and FSAs provided through your Group are considered another health coverage plan for HSA purposes and will make you ineligible to establish or contribute to a Health Savings Account. Contact your Group or your tax advisor for more information.

Term of this *EOC*

This *EOC* is for the period January 1, 2020, through December 31, 2020, unless amended. Your Group can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended.

Definitions

Some terms have special meaning in this *EOC*. When we use a term with special meaning in only one section of this *EOC*, we define it in that section. The terms in this "Definitions" section have special meaning when capitalized and used in any section of this *EOC*.

Accumulation Period: A period of time no greater than 12 consecutive months for purposes of accumulating amounts toward any deductibles (if applicable), out-of-pocket maximums, and benefit limits. For example, the Accumulation Period may be a calendar year or contract year. The Accumulation Period for this *EOC* is from January 1 through December 31.

Ancillary Coverage: Optional benefits such as acupuncture, chiropractic, or dental coverage that may be available to Members enrolled under this *EOC*. If your plan includes Ancillary Coverage, this coverage will be described in an amendment to this *EOC* or a separate agreement from the issuer of the coverage.

- For items obtained at a pharmacy owned and operated by Kaiser Permanente, the amount the pharmacy would charge a Member for the item if a Member's benefit plan did not cover the item (this amount is an estimate of: the cost of acquiring, storing, and dispensing drugs, the direct and indirect costs of providing Kaiser Permanente pharmacy Services to Members, and the pharmacy program's contribution to the net revenue requirements of Health Plan)
- For all other Services, the payments that Kaiser Permanente makes for the Services or, if Kaiser Permanente subtracts your Cost Share from its payment, the amount Kaiser Permanente would have paid if it did not subtract your Cost Share

Coinsurance: A percentage of Charges that you must pay when you receive a covered Service under this *EOC*.

Copayment: A specific dollar amount that you must pay when you receive a covered Service under this *EOC*. Note: The dollar amount of the Copayment can be $0 (no charge).

Similarly, if your coverage includes a Drug Deductible, and you receive Services that are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible.

Dependent: A Member who meets the eligibility requirements as a Dependent (for Dependent eligibility requirements, see "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section).

Please refer to the "Cost Share Summary" section to learn whether your coverage includes a Drug Deductible, the Services that are subject to the Drug Deductible, and the Drug Deductible amount.

- Placing the person's health (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy
- Serious impairment to bodily functions
- Serious dysfunction of any bodily organ or part

A mental health condition is an Emergency Medical Condition when it meets the requirements of the paragraph above, or when the condition manifests itself by acute symptoms of sufficient severity such that either of the following is true:

Services: Health care services or items ("health care" includes both physical health care and mental health care), behavioral health treatment covered under "Behavioral Health Treatment for Pervasive Developmental Disorder or Autism" in the "Benefits" section, and services to treat Serious Emotional Disturbance of a Child Under Age 18 or Severe Mental Illness.

Severe Mental Illness: The following mental disorders: schizophrenia, schizoaffective disorder, bipolar disorder (manic-depressive illness), major depressive disorders, panic disorder, obsessive-compulsive disorder, pervasive developmental disorder or autism, anorexia nervosa, or bulimia nervosa.

Skilled Nursing Facility: A facility that provides inpatient skilled nursing care, rehabilitation services, or other related health services and is licensed by the state of California. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include convalescent nursing homes, rest facilities, or facilities for the aged, if those facilities furnish primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a hospital) as long as it continues to meet this definition.

Spouse: The person to whom the Subscriber is legally married under applicable law. For the purposes of this *EOC*, the term "Spouse" includes the Subscriber's domestic partner. "Domestic partners" are two people who are registered and legally recognized as domestic partners by California (if your Group allows enrollment of domestic partners not legally recognized as domestic partners by California, "Spouse" also includes the Subscriber's domestic partner who meets your Group's eligibility requirements for domestic partners).

Stabilize: To provide the medical treatment of the Emergency Medical Condition that is necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the person from the facility. With respect to a pregnant woman who is having contractions, when there is inadequate time to safely transfer her to another hospital before delivery (or the transfer may pose a threat to the health or safety of the woman or unborn child), "Stabilize" means to deliver (including the placenta).

Subscriber: A Member who is eligible for membership on his or her own behalf and not by virtue of Dependent status and who meets the eligibility requirements as a Subscriber (for Subscriber eligibility requirements, see "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section).

Telehealth Visits: Interactive video visits and scheduled telephone visits between you and your provider.

Urgent Care: Medically Necessary Services for a condition that requires prompt medical attention but is not an Emergency Medical Condition.

Premiums, Eligibility, and Enrollment

Premiums

Your Group is responsible for paying Full Premiums, except that you are responsible for paying Full Premiums as described in the "Continuation of Membership" section if you have Cal-COBRA coverage under this *EOC*. If you are responsible for any contribution to the Premiums that your Group pays, your Group will tell you the amount, when Premiums are effective, and how to pay your Group (through payroll deduction, for example).

Who Is Eligible

To enroll and to continue enrollment, you must meet all of the eligibility requirements described in this "Who Is Eligible" section, including your Group's eligibility requirements and our Service Area eligibility requirements.

Group eligibility requirements

You must meet your Group's eligibility requirements, such as the minimum number of hours that employees must work. Your Group is required to inform Subscribers of its eligibility requirements.

Service Area eligibility requirements

The "Definitions" section describes our Service Area and how it may change.

Subscribers must live or work inside our Service Area at the time they enroll. If after enrollment the Subscriber no longer lives or works inside our Service Area, the Subscriber can continue membership unless (1) he or she lives inside or moves to the service area of another Region and does not work inside our Service Area, or (2) your Group does not allow continued enrollment of Subscribers who do not live or work inside our Service Area.

Dependent children of the Subscriber or of the Subscriber's Spouse may live anywhere inside or outside our Service Area. Other Dependents may live anywhere, except that they are not eligible to enroll or to continue enrollment if they live in or move to the service area of another Region.

If you are not eligible to continue enrollment because you live in or move to the service area of another Region, please contact your Group to learn about your Group health care options:

- **Regions outside California**. You may be able to enroll in the service area of another Region if there is an agreement between your Group and that Region, but the plan, including coverage, premiums, and eligibility requirements, might not be the same as under this *EOC*
- **Northern California Region's service area**. Your Group may have an arrangement with us that permits membership in the Northern California Region, but the plan, including coverage, premiums, and eligibility requirements, might not be the same as under this *EOC*. All terms and conditions in your application for enrollment in the Southern California Region, including the Arbitration Agreement, will continue to apply if the Subscriber does not submit a new enrollment form

For more information about the service areas of the other Regions, please call our Member Service Contact Center.

Eligibility as a Subscriber

You may be eligible to enroll and continue enrollment as a Subscriber if you are:

- An employee of your Group
- A proprietor or partner of your Group
- Otherwise entitled to coverage under a trust agreement, retirement benefit program, or employment contract (unless the Internal Revenue Service considers you self-employed)

Newborn coverage

If you are already enrolled under this *EOC* and have a baby, your newborn will automatically be covered for 31 days from the date of birth. If you do not enroll the newborn within 31 days, he or she is covered for only 31 days (including the date of birth).

Eligibility as a Dependent

Enrolling a Dependent. Dependent eligibility is subject to your Group's eligibility requirements, which are not described in this *EOC*. You can obtain your Group's eligibility requirements directly from your Group. If you are a Subscriber under this *EOC* and if your Group allows enrollment of Dependents, Health Plan allows the following persons to enroll as your Dependents under this *EOC*:

- Your Spouse
- Your or your Spouse's Dependent children, who meet the requirements described under "Age limit of Dependent children," if they are any of the following:
  - sons, daughters, or stepchildren
  - adopted children
  - children placed with you for adoption, but not including children placed with you for foster care
  - children for whom you or your Spouse is the court-appointed guardian (or was when the child reached age 18)
- Children whose parent is a Dependent under your family coverage (including adopted children and children placed with your Dependent for adoption, but not including children placed with your Dependent for foster care) if they meet all of the following requirements:
  - they are not married and do not have a domestic partner (for the purposes of this requirement only, "domestic partner" means someone who is registered and legally recognized as a domestic partner by California)
  - they meet the requirements described under "Age limit of Dependent children"
  - they receive all of their support and maintenance from you or your Spouse
  - they permanently reside with you or your Spouse

Age limit of Dependent children. Children must be under age 26 to enroll as a Dependent under your plan.

Dependent children are eligible to remain on the plan through the end of the month in which they reach the age limit.

Dependent children of the Subscriber or Spouse (including adopted children and children placed with you for adoption, but not including children placed with you for foster care) who reach the age limit may continue coverage under this *EOC* if all of the following conditions are met:

- They meet all requirements to be a Dependent except for the age limit
- Your Group permits enrollment of Dependents
- They are incapable of self-sustaining employment because of a physically- or mentally-disabling injury, illness, or condition that occurred before they reached the age limit for Dependents
- They receive 50 percent or more of their support and maintenance from you or your Spouse
- You give us proof of their incapacity and dependency within 60 days after we request it (see "Disabled Dependent certification" below in this "Eligibility as a Dependent" section)

Disabled Dependent certification. One of the requirements for a Dependent to be eligible to continue coverage as a disabled Dependent is that the Subscriber must provide us documentation of the dependent's incapacity and dependency as follows:

- If the child is a Member, we will send the Subscriber a notice of the Dependent's membership termination due to loss of eligibility at least 90 days before the date coverage will end due to reaching the age limit. The Dependent's membership will terminate as described in our notice unless the Subscriber provides us documentation of the Dependent's incapacity and dependency within 60 days of receipt of our notice and we determine that the Dependent is eligible as a disabled dependent. If the Subscriber provides us this documentation in the specified time period and we do not make a determination about eligibility before the termination date, coverage will continue until we make a determination. If we determine that the Dependent does not meet the eligibility requirements

as a disabled dependent, we will notify the Subscriber that the Dependent is not eligible and let the Subscriber know the membership termination date. If we determine that the Dependent is eligible as a disabled dependent, there will be no lapse in coverage. Also, starting two years after the date that the Dependent reached the age limit, the Subscriber must provide us documentation of the Dependent's incapacity and dependency annually within 60 days after we request it so that we can determine if the Dependent continues to be eligible as a disabled dependent

- If the child is not a Member because you are changing coverage, you must give us proof, within 60 days after we request it, of the child's incapacity and dependency as well as proof of the child's coverage under your prior coverage. In the future, you must provide proof of the child's continued incapacity and dependency within 60 days after you receive our request, but not more frequently than annually

If the Subscriber is enrolled under a Kaiser Permanente Medicare plan. The dependent eligibility rules described in the "Eligibility as a Dependent" section also apply if you are a subscriber under a Kaiser Permanente Medicare plan offered by your Group (please ask your Group about your membership options). All of your dependents who are enrolled under this or any other non-Medicare evidence of coverage offered by your Group must be enrolled under the same non-Medicare evidence of coverage. A "non-Medicare" evidence of coverage is one that does not require members to have Medicare.

Persons barred from enrolling

You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for cause.

Members with Medicare and retirees

This *EOC* is not intended for most Medicare beneficiaries and some Groups do not offer coverage to retirees. If, during the term of this *EOC*, you are (or become) eligible for Medicare or you retire, please ask your Group about your membership options as follows:

- If a Subscriber who has Medicare Part B retires and the Subscriber's Group has a Kaiser Permanente Senior Advantage plan for retirees, the Subscriber should enroll in the plan if eligible
- If the Subscriber has dependents who have Medicare and your Group has a Kaiser Permanente Senior Advantage plan (or of one our other plans that require members to have Medicare), the Subscriber may be able to enroll them as dependents under that plan
- If the Subscriber retires and your Group does not offer coverage to retirees, you may be eligible to continue membership as described in the "Continuation of Membership" section
- If federal law requires that your Group's health care coverage be primary and Medicare coverage be secondary, your coverage under this *EOC* will be the same as it would be if you had not become eligible for Medicare. However, you may also be eligible to enroll in Kaiser Permanente Senior Advantage through your Group if you have Medicare Part B
- If you are (or become) eligible for Medicare and are in a class of beneficiaries for which your Group's health care coverage is secondary to Medicare, you should consider enrollment in Kaiser Permanente Senior Advantage through your Group if you are eligible
- If none of the above applies to you and you are eligible for Medicare or you retire, please ask your Group about your membership options

Note: If you are enrolled in a Medicare plan and lose Medicare eligibility, you may be able to enroll under this *EOC* if permitted by your Group (please ask your Group for details).

When Medicare is primary. Your Group's Premiums may increase if you are (or become) eligible for Medicare Part A or B as primary coverage, and you are not enrolled through your Group in Kaiser Permanente Senior Advantage for any reason (even if you are not eligible to enroll or the plan is not available to you).

When Medicare is secondary. Medicare is the primary coverage except when federal law requires that your Group's health care coverage be primary and Medicare coverage be secondary. Members who have Medicare when Medicare is secondary by law are subject to the same Premiums and receive the same benefits as Members who are under age 65 and do not have Medicare. In addition, any such Member for whom Medicare is secondary by law and who meets the eligibility requirements for the Kaiser Permanente Senior Advantage plan applicable when Medicare is secondary may also enroll in that plan if it is available. These Members receive the benefits and coverage described in this *EOC* and the Kaiser Permanente Senior Advantage evidence of coverage applicable when Medicare is secondary.

Medicare late enrollment penalties

If you become eligible for Medicare Part B and do not enroll, Medicare may require you to pay a late enrollment penalty if you later enroll in Medicare Part B.

However, if you delay enrollment in Part B because you or your spouse are still working and have coverage through an employer group health plan, you may not have to pay the penalty. Also, if you are (or become) eligible for Medicare and go without creditable prescription drug coverage (drug coverage that is at least as good as the standard Medicare Part D prescription drug coverage) for a continuous period of 63 days or more, you may have to pay a late enrollment penalty if you later sign up for Medicare prescription drug coverage. If you are (or become) eligible for Medicare, your Group is responsible for informing you about whether your drug coverage under this *EOC* is creditable prescription drug coverage at the times required by the Centers for Medicare & Medicaid Services and upon your request.

When You Can Enroll and When Coverage Begins

Your Group is required to inform you when you are eligible to enroll and what your effective date of coverage is. If you are eligible to enroll as described under "Who Is Eligible" in this "Premiums, Eligibility, and Enrollment" section, enrollment is permitted as described below and membership begins at the beginning (12:00 a.m.) of the effective date of coverage indicated below, except that your Group may have additional requirements, which allow enrollment in other situations.

If you are eligible to be a Dependent under this *EOC* but the subscriber in your family is enrolled under a Kaiser Permanente Senior Advantage evidence of coverage offered by your Group, the rules for enrollment of Dependents in this "When You Can Enroll and When Coverage Begins" section apply, not the rules for enrollment of dependents in the subscriber's evidence of coverage.

New employees

When your Group informs you that you are eligible to enroll as a Subscriber, you may enroll yourself and any eligible Dependents by submitting a Health Plan–approved enrollment application to your Group within 31 days.

Effective date of coverage. The effective date of coverage for new employees and their eligible family Dependents is determined by your Group in accord with waiting period requirements in state and federal law. Your Group is required to inform the Subscriber of the date your membership becomes effective. For example, if the hire date of an otherwise-eligible employee is January 19, the waiting period begins on January 19 and the effective date of coverage cannot be any later than April 19. Note: If the effective date of your Group's coverage is always on the first day of the month, in this example the effective date cannot be any later than April 1.

Open enrollment

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan–approved enrollment application to your Group during your Group's open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the effective date of coverage.

Special enrollment

If you do not enroll when you are first eligible and later want to enroll, you can enroll only during open enrollment unless one of the following is true:

- You become eligible because you experience a qualifying event (sometimes called a "triggering event") as described in this "Special enrollment" section
- You did not enroll in any coverage offered by your Group when you were first eligible and your Group does not give us a written statement that verifies you signed a document that explained restrictions about enrolling in the future. The effective date of an enrollment resulting from this provision is no later than the first day of the month following the date your Group receives a Health Plan–approved enrollment or change of enrollment application from the Subscriber

Special enrollment due to new Dependents. You may enroll as a Subscriber (along with eligible Dependents), and existing Subscribers may add eligible Dependents, within 30 days after marriage, establishment of domestic partnership, birth, adoption, or placement for adoption by submitting to your Group a Health Plan–approved enrollment application.

The effective date of an enrollment resulting from marriage or establishment of domestic partnership is no later than the first day of the month following the date your Group receives an enrollment application from the Subscriber. Enrollments due to birth, adoption, or placement for adoption are effective on the date of birth, date of adoption, or the date you or your Spouse have newly assumed a legal right to control health care in anticipation of adoption.

Special enrollment due to loss of other coverage. You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, if all of the following are true:

- The Subscriber or at least one of the Dependents had other coverage when he or she previously declined all coverage through your Group
- The loss of the other coverage is due to one of the following:
  - ♦ exhaustion of COBRA coverage
  - ♦ termination of employer contributions for non-COBRA coverage
  - ♦ loss of eligibility for non-COBRA coverage, but not termination for cause or termination from an individual (nongroup) plan for nonpayment. For example, this loss of eligibility may be due to legal separation or divorce, moving out of the plan's service area, reaching the age limit for dependent children, or the subscriber's death, termination of employment, or reduction in hours of employment
  - ♦ loss of eligibility (but not termination for cause) for coverage through Covered California, Medicaid coverage (known as Medi-Cal in California), Children's Health Insurance Program coverage, or Medi-Cal Access Program coverage
  - ♦ reaching a lifetime maximum on all benefits

Note: If you are enrolling yourself as a Subscriber along with at least one eligible Dependent, only one of you must meet the requirements stated above.

To request enrollment, the Subscriber must submit a Health Plan–approved enrollment or change of enrollment application to your Group within 30 days after loss of other coverage, except that the timeframe for submitting the application is 60 days if you are requesting enrollment due to loss of eligibility for coverage through Covered California, Medicaid, Children's Health Insurance Program, or Medi-Cal Access Program coverage. The effective date of an enrollment resulting from loss of other coverage is no later than the first day of the month following the date your Group receives an enrollment or change of enrollment application from the Subscriber.

Special enrollment due to court or administrative order. Within 30 days after the date of a court or administrative order requiring a Subscriber to provide health care coverage for a Spouse or child who meets the eligibility requirements as a Dependent, the Subscriber may add the Spouse or child as a Dependent by submitting to your Group a Health Plan–approved enrollment or change of enrollment application.

The effective date of coverage resulting from a court or administrative order is the first of the month following the date we receive the enrollment request, unless your Group specifies a different effective date (if your Group specifies a different effective date, the effective date cannot be earlier than the date of the order).

Special enrollment due to eligibility for premium assistance. You may enroll as a Subscriber (along with eligible Dependents), and existing Subscribers may add eligible Dependents, if you or a dependent become eligible for premium assistance through the Medi-Cal program. Premium assistance is when the Medi-Cal program pays all or part of premiums for employer group coverage for a Medi-Cal beneficiary. To request enrollment in your Group's health care coverage, the Subscriber must submit a Health Plan–approved enrollment or change of enrollment application to your Group within 60 days after you or a dependent become eligible for premium assistance. Please contact the California Department of Health Care Services to find out if premium assistance is available and the eligibility requirements.

Special enrollment due to reemployment after military service. If you terminated your health care coverage because you were called to active duty in the military service, you may be able to reenroll in your Group's health plan if required by state or federal law. Please ask your Group for more information.

Other special enrollment events. You may enroll as a Subscriber (along with any eligible Dependents) if you or your Dependents were not previously enrolled, and existing Subscribers may add eligible Dependents not previously enrolled, if any of the following are true:

- You lose employment for a reason other than gross misconduct
- Your employment hours are reduced
- You are a Dependent of someone who becomes entitled to Medicare
- You become divorced or legally separated
- You are a Dependent of someone who dies
- A Health Benefit Exchange (such as Covered California) determines that one of the following occurred because of misconduct on the part of a non-Exchange entity that provided enrollment assistance or conducted enrollment activities:
  - ♦ a qualified individual was not enrolled in a qualified health plan
  - ♦ a qualified individual was not enrolled in the qualified health plan that the individual selected
  - ♦ a qualified individual is eligible for, but is not receiving, advance payments of the premium tax credit or cost share reductions

To request special enrollment, you must submit a Health Plan-approved enrollment application to your Group within 30 days after loss of other coverage. You may be required to provide documentation that you have experienced a qualifying event. Membership becomes effective either on the first day of the next month (for applications that are received by the fifteenth day of a month) or on the first day of the month following the next month (for applications that are received after the fifteenth day of a month).

Note: If you are enrolling as a Subscriber along with at least one eligible Dependent, only one of you must meet one of the requirements stated above.

How to Obtain Services

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside our Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in this "How to Obtain Services" section
- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits" section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency Services and Urgent Care" section
- Hospice care as described under "Hospice Care" in the "Benefits" section
- Visiting Member Services as described under "Receiving Care Outside of Your Home Region" in this "How to Obtain Services" section

Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*.

Routine Care

If you need the following Services, you should schedule an appointment:

- Preventive Services
- Periodic follow-up care (regularly scheduled follow-up care, such as visits to monitor a chronic condition)
- Other care that is not Urgent Care

To request a non-urgent appointment, you can call your local Plan Facility or request the appointment online. For appointment phone numbers, please refer to our Provider Directory or call our Member Service Contact Center. To request an appointment online, go to our website at **kp.org**.

Urgent Care

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For phone numbers, please refer to our Provider Directory or call our Member Service Contact Center.

For information about Out-of-Area Urgent Care, please refer to "Urgent Care" in the "Emergency Services and Urgent Care" section.

Not Sure What Kind of Care You Need?

Sometimes it's difficult to know what kind of care you need, so we have licensed health care professionals available to assist you by phone 24 hours a day, seven days a week. Here are some of the ways they can help you:

- They can answer questions about a health concern, and instruct you on self-care at home if appropriate
- They can advise you about whether you should get medical care, and how and where to get care (for example, if you are not sure whether your condition is an Emergency Medical Condition, they can help you decide whether you need Emergency Services or Urgent Care, and how and where to get that care)
- They can tell you what to do if you need care and a Plan Medical Office is closed or you are outside our Service Area

You can reach one of these licensed health care professionals by calling the appointment or advice phone number (for phone numbers, refer to our Provider Directory or call our Member Service Contact Center). When you call, a trained support person may ask you questions to help determine how to direct your call.

Your Personal Plan Physician

Personal Plan Physicians provide primary care and play an important role in coordinating care, including hospital stays and referrals to specialists.

We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians). Some specialists who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. For example, some specialists in internal medicine and obstetrics/gynecology who are not designated as Primary Care Physicians may be available as personal Plan Physicians. However, if you choose a specialist who is not designated as a Primary Care Physician as your personal Plan Physician, the Cost Share for a Physician Specialist Visit will apply to all visits with the specialist except for routine preventive visits listed under "Preventive Services" in the "Benefits" section.

To learn how to select or change to a different personal Plan Physician, visit our website at **kp.org** or call our Member Service Contact Center. Refer to our Provider Directory for a list of physicians that are available as Primary Care Physicians. The directory is updated periodically. The availability of Primary Care Physicians may change. If you have questions, please call our Member Service Contact Center. You can change your personal Plan Physician at any time for any reason.

Getting a Referral

Referrals to Plan Providers

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies. Also, a Plan Physician must refer you before you can get care from Qualified Autism Service Providers covered under "Behavioral Health Treatment for Pervasive Developmental Disorder or Autism" in the "Benefits" section. However, you do not need a referral or prior authorization to receive most care from any of the following Plan Providers:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, mental health Services, substance use disorder treatment, and obstetrics/gynecology

A Plan Physician must refer you before you can get care from a specialist in urology except that you do not need a referral to receive Services related to sexual or reproductive health, such as a vasectomy.

Although a referral or prior authorization is not required to receive most care from these providers, a referral may be required in the following situations:

- The provider may have to get prior authorization for certain Services in accord with "Medical Group authorization procedure for certain referrals" in this "Getting a Referral" section
- The provider may have to refer you to a specialist who has a clinical background related to your illness or condition

Standing referrals

If a Plan Physician refers you to a specialist, the referral will be for a specific treatment plan. Your treatment plan may include a standing referral if ongoing care from the specialist is prescribed. For example, if you have a life-threatening, degenerative, or disabling condition, you can get a standing referral to a specialist if ongoing care from the specialist is required.

Medical Group authorization procedure for certain referrals

The following are examples of Services that require prior authorization by the Medical Group for the Services to be covered ("prior authorization" means that the Medical Group must approve the Services in advance):

- Durable medical equipment
- Ostomy and urological supplies
- Services not available from Plan Providers
- Transplants

Utilization Management ("UM") is a process that determines whether a Service recommended by your treating provider is Medically Necessary for you. Prior authorization is a UM process that determines whether the requested services are Medically Necessary before care is provided. If it is Medically Necessary, then you will receive authorization to obtain that care in a clinically appropriate place consistent with the terms of your health coverage. Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

For the complete list of Services that require prior authorization, and the criteria that are used to make authorization decisions, please visit our website at **kp.org/UM** or call our Member Service Contact Center to request a printed copy.

Please refer to "Post-Stabilization Care" under "Emergency Services" in the "Emergency Services and Urgent Care" section for authorization requirements that apply to Post-Stabilization Care from Non–Plan Providers.

Additional information about prior authorization for durable medical equipment and ostomy and urological supplies. The prior authorization process for durable medical equipment and ostomy and urological supplies includes the use of formulary guidelines. These guidelines were developed by a multidisciplinary clinical and operational work group with review and input from Plan Physicians and medical professionals with clinical expertise. The formulary guidelines are periodically updated to keep pace with changes in medical technology and clinical practice.

If your Plan Physician prescribes one of these items, he or she will submit a written referral in accord with the UM process described in this "Medical Group authorization procedure for certain referrals" section. If the formulary guidelines do not specify that the prescribed item is appropriate for your medical condition, the referral will be submitted to the Medical Group's designee Plan Physician, who will make an authorization decision as described under "Medical Group's decision time frames" in this "Medical Group authorization procedure for certain referrals" section.

Medical Group's decision time frames. The applicable Medical Group designee will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If the Medical Group needs more time to make the decision because it doesn't have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your treating physician will be informed about the additional information, testing, or specialist that is needed, and the date that the Medical Group expects to make a decision.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your physician will be informed of the scope of the authorized Services. If the Medical Group does not authorize all of the Services, Health Plan will send you a written decision and explanation within two business days after the decision is made. Any written criteria that the Medical Group uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request.

If the Medical Group does not authorize all of the Services requested and you want to appeal the decision, you can file a grievance as described under "Grievances" in the "Dispute Resolution" section.

For these referral Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

Travel and lodging for certain referrals

The following are examples of when we will arrange or provide reimbursement for certain travel and lodging expenses in accord with our Travel and Lodging Program Description:

- If Medical Group refers you to a provider that is more than 50 miles from where you live for certain specialty Services such as bariatric surgery, complex thoracic surgery, transplant nephrectomy, or inpatient chemotherapy for leukemia and lymphoma
- If Medical Group refers you to a provider that is outside our Service Area for certain specialty Services such as a transplant or transgender surgery

For the complete list of specialty Services for which we will arrange or provide reimbursement for travel and lodging expenses, the amount of reimbursement, limitations and exclusions, and how to request reimbursement, please refer to the Travel and Lodging Program Description. The Travel and Lodging Program Description is available online at **kp.org/specialty-care/travel-reimbursements** or by calling our Member Service Contact Center.

Completion of Services from Non–Plan Providers

New Member. If you are currently receiving Services from a Non–Plan Provider in one of the cases listed below under "Eligibility" and your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective, you may be eligible for limited coverage of that Non–Plan Provider's Services.

Terminated provider. If you are currently receiving covered Services in one of the cases listed below under "Eligibility" from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider's Services.

Eligibility. The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- Serious chronic conditions until the earlier of (1) 12 months from your effective date of coverage if you are a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the first day after a course of treatment is complete when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non–Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions that are serious, if one of the following is true about the condition:
  - it persists without full cure
  - it worsens over an extended period of time
  - it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Children under age 3. We may cover completion of these Services until the earlier of (1) 12 months from the child's effective date of coverage if the child is a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your effective date of coverage if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Services
- For new Members, your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective
- You are receiving Services in one of the cases listed above from a Non–Plan Provider on your effective date of coverage if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, when you enrolled in Health Plan, you did not have the option to continue with your previous health plan or to choose another plan (including an out-of-network option) that would cover the Services of your current Non–Plan Provider
- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to payment and to providing Services inside our Service Area (the requirement that the provider agree to providing Services inside our Service Area doesn't apply if you were receiving covered Services from the provider outside the Service Area when the provider's contract terminated)
- The Services to be provided to you would be covered Services under this *EOC* if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member or from the termination date of the Plan Provider

For completion of Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

More information. For more information about this provision, or to request the Services or a copy of our "Completion of Covered Services" policy, please call our Member Service Contact Center.

Second Opinions

If you want a second opinion, you can ask Member Services to help you arrange one with a Plan Physician who is an appropriately qualified medical professional for your condition. If there isn't a Plan Physician who is an appropriately qualified medical professional for your condition, Member Services will help you arrange a consultation with a Non–Plan Physician for a second opinion. For purposes of this "Second Opinions" provision, an "appropriately qualified medical professional" is a physician who is acting within his or her scope of practice and who possesses a clinical background, including training and expertise, related to the illness or condition associated with the request for a second medical opinion.

Here are some examples of when a second opinion may be provided or authorized:

- Your Plan Physician has recommended a procedure and you are unsure about whether the procedure is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing
- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition
- The treatment plan in progress is not improving your medical condition within an appropriate period of time, given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial and of your right to file a grievance as described under "Grievances" in the "Dispute Resolution" section.

For these referral Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

Contracts with Plan Providers

How Plan Providers are paid

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital care for Members, please visit our website at **kp.org** or call our Member Service Contact Center.

Financial liability

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may have to pay the full price of noncovered Services you obtain from Plan Providers or Non–Plan Providers.

When you are referred to a Plan Provider for covered Services, you pay the Cost Share required for Services from that provider as described in this *EOC*.

Termination of a Plan Provider's contract

If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for the covered Services you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. You may be eligible to receive Services from a terminated provider; please refer to "Completion of Services from Non–Plan Providers" under "Getting a Referral" in this "How to Obtain Services" section.

Provider groups and hospitals. If you are assigned to a provider group or hospital whose contract with us terminates, or if you live within 15 miles of a hospital whose contract with us terminates, we will give you written notice at least 60 days before the termination (or as soon as reasonably possible).

Receiving Care Outside of Your Home Region

If you have questions about your coverage when you are away from home, call the Away from Home Travel line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays). For example, call this number for the following concerns:

- What you should do to prepare for your trip
- What Services are covered when you are outside our Service Area
- How to get care in another Region
- How to request reimbursement if you paid for covered Services outside our Service Area

You can also get information on our website at **kp.org/travel**.

Receiving care in the Service Area of another Region

If you are visiting in the service area of another Region, you may receive Visiting Member Services from designated providers in that Region. "Visiting Member Services" are Services that are covered under your Home Region plan that you receive in another Region, subject to exclusions, limitations, prior authorization or approval requirements, and reductions described in this *EOC* or the Visiting Member Brochure, which is available online at **kp.org**. Certain Services are not covered as Visiting Member Services. For more information about receiving Visiting Member Services in another Region, including provider and facility locations, or to obtain a copy of the Visiting Member Brochure, please call our Away from Home Travel Line at **1-951-268-3900** 24 hours a day,

seven days a week (except closed holidays). Information is also available online at **kp.org/travel**.

For Visiting Member Services, you pay the Cost Share required for Services provided by a Plan Provider inside our Service Area as described in this *EOC*.

Receiving care outside of any Region

If you are traveling outside of a Kaiser Permanente Region, we cover Emergency Services and Urgent Care as described in the "Emergency Services and Urgent Care" section.

Your ID Card

Each Member's Kaiser Permanente ID card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your ID card and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call our Member Service Contact Center if we ever inadvertently issue you more than one medical record number or if you need to replace your ID card.

Your ID card is for identification only. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-Member for any Services he or she receives. If you let someone else use your ID card, we may keep your ID card and terminate your membership as described under "Termination for Cause" in the "Termination of Membership" section.

Timely Access to Care

Standards for appointment availability

The California Department of Managed Health Care ("DMHC") developed the following standards for appointment availability. This information can help you know what to expect when you request an appointment.

- Urgent Care: within 48 hours
- Nonurgent Primary Care Visit or Non-Physician Specialist Visit: within 10 business days
- Physician Specialist Visit: within 15 business days

If you prefer to wait for a later appointment that will better fit your schedule or to see the Plan Provider of your choice, we will respect your preference. In some cases, your wait may be longer than the time listed if a licensed health care professional decides that a later appointment won't have a negative effect on your health.

The standards for appointment availability do not apply to Preventive Services. Your Plan Provider may recommend a specific schedule for Preventive Services, depending on your needs. The standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Timely access to telephone assistance

DMHC developed the following standards for answering telephone questions:

- For telephone advice about whether you need to get care and where to get care: within 30 minutes, 24 hours a day, 7 days a week
- For general questions: within 10 minutes during normal business hours

Interpreter services

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. For more information on the interpreter services we offer, please call our Member Service Contact Center.

Getting Assistance

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Cost Share estimates

For information about estimates, see "Getting an estimate of your Cost Share" under "Your Cost Share" in the "Benefits" section.

Plan Facilities

Plan Medical Offices and Plan Hospitals are listed in the Provider Directory for your Home Region. The directory describes the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services. This directory is available on our website at **kp.org/facilities**. To obtain a printed copy, call our Member Service Contact Center. The directory is updated periodically. The availability of Plan Facilities may change. If you have questions, please call our Member Service Contact Center.

At most of our Plan Facilities, you can usually receive all of the covered Services you need, including specialty care, pharmacy, and lab work. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you:

- All Plan Hospitals provide inpatient Services and are open 24 hours a day, seven days a week
- Emergency Services are available from Plan Hospital Emergency Departments (for Emergency Department locations, refer to our Provider Directory or call our Member Service Contact Center)
- Same–day Urgent Care appointments are available at many locations (for Urgent Care locations, refer to our Provider Directory or call our Member Service Contact Center)
- Many Plan Medical Offices have evening and weekend appointments
- Many Plan Facilities have a Member Services Department (for locations, refer to our Provider Directory or call our Member Service Contact Center)

Note: State law requires evidence of coverage documents to include the following notice:

Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Kaiser Permanente Member Service Contact Center, to ensure that you can obtain the health care services that you need.

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

Emergency Services and Urgent Care

Emergency Services

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital Emergency Department. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers or Non–Plan Providers anywhere in the world.

Emergency Services are available from Plan Hospital Emergency Departments 24 hours a day, seven days a week.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital (including the Emergency Department) after your treating physician determines that this condition is Stabilized. Post-Stabilization Care also includes durable medical equipment covered under this *EOC*, if it is Medically Necessary after discharge from a hospital, and related to the same Emergency Medical Condition. For more information about durable medical

equipment covered under this *EOC*, see "Durable Medical Equipment ("DME") for Home Use" in the "Benefits" section. We cover Post-Stabilization Care from a Non–Plan Provider only if we provide prior authorization for the care or if otherwise required by applicable law ("prior authorization" means that we must approve the Services in advance).

To request prior authorization, the Non–Plan Provider must call **1-800-225-8883** or the notification phone number on your Kaiser Permanente ID card *before* you receive the care. We will discuss your condition with the Non–Plan Provider. If we determine that you require Post-Stabilization Care and that this care is part of your covered benefits, we will authorize your care from the Non–Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated Non–Plan Provider provide your care, we may authorize special transportation services that are medically required to get you to the provider. This may include transportation that is otherwise not covered.

Be sure to ask the Non–Plan Provider to tell you what care (including any transportation) we have authorized because we will not cover Post-Stabilization Care or related transportation provided by Non–Plan Providers that has not been authorized. If you receive care from a Non–Plan Provider that we have not authorized, you may have to pay the full cost of that care. If you are admitted to a Non–Plan Hospital, please notify us as soon as possible by calling **1-800-225-8883** or the notification phone number on your ID card.

Your Cost Share

Your Cost Share for covered Emergency Services and Post-Stabilization Care is described in the "Cost Share Summary" section of this *EOC*. Your Cost Share is the same whether you receive the Services from a Plan Provider or a Non–Plan Provider. For example:

- If you receive Emergency Services in the Emergency Department of a Non–Plan Hospital, you pay the Cost Share for an Emergency Department visit as described in the "Cost Share Summary" under "Emergency and Urgent Care visits"
- If we gave prior authorization for inpatient Post-Stabilization Care in a Non–Plan Hospital, you pay the Cost Share for hospital inpatient care as described in the "Cost Share Summary" under "Hospital inpatient care"
- If we gave prior authorization for durable medical equipment after discharge from a Non–Plan Hospital, you pay the Cost Share for durable medical equipment as described in the "Cost Share Summary" under "Durable Medical Equipment ("DME") for home use"

Urgent Care

Inside the Service Area

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For appointment and advice phone numbers, refer to our Provider Directory or call our Member Service Contact Center.

Out-of-Area Urgent Care

If you need Urgent Care due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child's) health from a Non–Plan Provider if all of the following are true:

- You receive the Services from Non–Plan Providers while you are temporarily outside our Service Area
- A reasonable person would have believed that your (or your unborn child's) health would seriously deteriorate if you delayed treatment until you returned to our Service Area

You do not need prior authorization for Out-of-Area Urgent Care. We cover Out-of-Area Urgent Care you receive from Non–Plan Providers if the Services would have been covered under this *EOC* if you had received them from Plan Providers.

To obtain follow-up care from a Plan Provider, call the appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call our Member Service Contact Center. We do not cover follow-up care from Non–Plan Providers after you no longer need Urgent Care, except for durable medical equipment covered under this *EOC*. For more information about durable medical equipment covered under this *EOC*, see "Durable Medical Equipment ("DME") for Home Use" in the "Benefits" section. If you require durable medical equipment related to your Urgent Care after receiving Out-of-Area Urgent Care, your provider must obtain prior authorization as described under "Getting a Referral" in the "How to Obtain Services" section.

Your Cost Share

Your Cost Share for covered Urgent Care is the Cost Share required for Services provided by Plan Providers

as described in the "Cost Share Summary" section of this *EOC*. For example:

- If you receive an Urgent Care evaluation as part of covered Out-of-Area Urgent Care from a Non–Plan Provider, you pay the Cost Share for Urgent Care consultations, evaluations, and treatment as described in the "Cost Share Summary" under "Emergency and Urgent Care visits"
- If the Out-of-Area Urgent Care you receive includes an X-ray, you pay the Cost Share for an X-ray as described in the "Cost Share Summary" under "Outpatient imaging, laboratory, and other diagnostic and treatment Services," in addition to the Cost Share for the Urgent Care evaluation
- If we gave prior authorization for durable medical equipment provided as part of Out-of-Area Urgent Care, you pay the Cost Share for durable medical equipment as described in the "Cost Share Summary" under "Durable Medical Equipment ("DME") for home use"

Note: If you receive Urgent Care in an Emergency Department, you pay the Cost Share for an Emergency Department visit as described in the "Cost Share Summary" under "Emergency and Urgent Care visits."

Payment and Reimbursement

If you receive Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non–Plan Provider as described in this "Emergency Services and Urgent Care" section, or emergency ambulance Services described under "Ambulance Services" in the "Benefits" section, you are not responsible for any amounts beyond your Cost Share for covered Emergency Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. Also, you may be required to pay and file a claim for any Services prescribed by a Non–Plan Provider as part of covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care even if you receive the Services from a Plan Provider, such as a Plan Pharmacy.

For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Benefits

This section describes the Services that are covered under this *EOC*.

Services are covered under this *EOC* as specifically described in this *EOC*. Services that are not specifically described in this *EOC* are not covered, except as required by state or federal law. Services are subject to exclusions and limitations described in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section. Except as otherwise described in this *EOC*, all of the following conditions must be satisfied:

- You are a Member on the date that you receive the Services
- The Services are Medically Necessary
- The Services are one of the following:
  - Preventive Services
  - health care items and services for diagnosis, assessment, or treatment
  - health education covered under "Health Education" in this "Benefits" section
  - other health care items and services
  - other services to treat Serious Emotional Disturbance of a Child Under Age 18 or Severe Mental Illness
- The Services are provided, prescribed, authorized, or directed by a Plan Physician, except for:
  - drugs prescribed by dentists, as described under "Outpatient Prescription Drugs, Supplies, and Supplements" below

  - Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care, as described in the "Emergency Services and Urgent Care" section

  - hospice care, as described under "Hospice Care" below
  - Visiting Member Services, as described under "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section

- The Medical Group has given prior authorization for the Services, if required, as described under "Medical Group authorization procedure for certain referrals" in the "How to Obtain Services" section

Please also refer to:

- The "Emergency Services and Urgent Care" section for information about how to obtain covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care
- Our Provider Directory for the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services

Your Cost Share

Your Cost Share is the amount you are required to pay for covered Services. For example, your Cost Share may be a Copayment or Coinsurance.

If your coverage includes a Plan Deductible and you receive Services that are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Similarly, if your coverage includes a Drug Deductible, and you receive Services that are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible.

Please refer to the "Cost Share Summary" section of this *EOC* for the amount you will pay for Services.

General rules, examples, and exceptions

Your Cost Share for covered Services will be the Cost Share in effect on the date you receive the Services, except as follows:

- If you are receiving covered inpatient hospital or Skilled Nursing Facility Services on the effective date of this *EOC*, you pay the Cost Share in effect on your admission date until you are discharged if the Services were covered under your prior Health Plan evidence of coverage and there has been no break in coverage. However, if the Services were not covered under your prior Health Plan evidence of coverage, or if there has been a break in coverage, you pay the Cost Share in effect on the date you receive the Services
- For items ordered in advance, you pay the Cost Share in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the Cost Share when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription

Cost Share for Services received by newborn children of a Member. During the 31 days of automatic coverage for newborn children described under "Newborn coverage" under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section, the parent or guardian of the newborn must pay the Cost Share indicated in the "Cost Share Summary" section of this *EOC* for any Services that the newborn receives, whether or not the newborn is enrolled. When the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, the Cost Share for those Services will be Charges if the newborn has not met the Plan Deductible.

Payment toward your Cost Share (and when you may be billed). In most cases, your provider will ask you to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services (such as a routine physical maintenance exam and laboratory tests), you may be required to pay separate Cost Share for each of those Services. Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay (or you may be billed for) Cost Share amounts in addition to the amount you pay at check-in:

- You receive non-preventive Services during a preventive visit. For example, you go in for a routine physical maintenance exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional non-preventive diagnostic Services
- You receive diagnostic Services during a treatment visit. For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment visit. However, during the visit your provider finds a new problem with your health and performs or orders diagnostic Services (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional diagnostic Services
- You receive treatment Services during a diagnostic visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a

diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services (such as an outpatient procedure). You may be asked to pay (or you will be billed for) your Cost Share for these additional treatment Services

- You receive Services from a second provider during your visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay (or you will be billed for) your Cost Share for the consultation with the specialist

In some cases, your provider will not ask you to make a payment at the time you receive Services, and you will be billed for your Cost Share (for example, some Laboratory Departments are not able to collect Cost Share, or your Plan Provider is not able to collect Cost Share, if any, for Telehealth Visits you receive at home).

When we send you a bill, it will list Charges for the Services you received, payments and credits applied to your account, and any amounts you still owe. Your current bill may not always reflect your most recent Charges and payments. Any Charges and payments that are not on the current bill will appear on a future bill. Sometimes, you may see a payment but not the related Charges for Services. That could be because your payment was recorded before the Charges for the Services were processed. If so, the Charges will appear on a future bill. Also, you may receive more than one bill for a single outpatient visit or inpatient stay. For example, you may receive a bill for physician services and a separate bill for hospital services. If you don't see all the Charges for Services on one bill, they will appear on a future bill. If we determine that you overpaid and are due a refund, then we will send a refund to you within 4 weeks after we make that determination. If you have questions about a bill, please call the phone number on the bill.

In some cases, a Non–Plan Provider may be involved in the provision of covered Services at a Plan Facility or a contracted facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Cost Share for the covered Services you receive at Plan Facilities or at contracted facilities where we have authorized you to receive care. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Primary Care Visits, Non-Physician Specialist Visits, and Physician Specialist Visits. The Cost Share for a Primary Care Visit applies to evaluations and treatment provided by generalists in internal medicine, pediatrics, or family practice, and by specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians. Some physician specialists provide primary care in addition to specialty care but are not designated as Primary Care Physicians. If you receive Services from one of these specialists, the Cost Share for a Physician Specialist Visit will apply to all consultations, evaluations, and treatment provided by the specialist except for routine preventive counseling and exams listed under "Preventive Services" in this "Benefits" section. For example, if your personal Plan Physician is a specialist in internal medicine or obstetrics/gynecology who is not a Primary Care Physician, you will pay the Cost Share for a Physician Specialist Visit for all consultations, evaluations, and treatment by the specialist except routine preventive counseling and exams listed under "Preventive Services" in this "Benefits" section. The Non-Physician Specialist Visit Cost Share applies to consultations, evaluations, and treatment provided by non-physician specialists (such as nurse practitioners, physician assistants, optometrists, podiatrists, and audiologists).

Noncovered Services. If you receive Services that are not covered under this *EOC*, you may have to pay the full price of those Services. Payments you make for noncovered Services do not apply to any deductible or out-of-pocket maximum.

Benefit limits. Some benefits may include a limit on the number of visits, days, or dollar amount that will be covered under your plan during a specified time period. If a benefit includes a limit, this will be indicated in the "Cost Share Summary" section of this *EOC*. The time period associated with a benefit limit may not be the same as the term of this *EOC*. We will count all Services you receive during the benefit limit period toward the benefit limit, including Services you received under a prior Health Plan *EOC* (as long as you have continuous coverage with Health Plan). Note: this rule does not apply when you first enroll in individual plan coverage or a new employer group's plan, when you move from group to individual plan coverage (or vice versa), or to Services you received under a Kaiser Permanente Senior Advantage evidence of coverage. If you are enrolled in the Kaiser Permanente POS Plan, refer to your KPIC *Certificate of Insurance* and *Schedule of Coverage* for benefit limits that apply to your separate indemnity coverage provided by the Kaiser Permanente Insurance Company ("KPIC").

Getting an estimate of your Cost Share

If you have questions about the Cost Share for specific Services that you expect to receive or that your provider orders during a visit or procedure, please visit our website at **kp.org/memberestimates** to use our cost estimate tool or call our Member Service Contact Center.

- If you have a Plan Deductible and would like an estimate for Services that are subject to the Plan Deductible, please call **1-800-390-3507** (TTY users call **711**) Monday through Friday 7 a.m. to 7 p.m. Refer to the "Cost Share Summary" section of this *EOC* to find out if you have a Plan Deductible
- For all other Cost Share estimates, please call **1-800-464-4000** (TTY users call **711**) 24 hours a day, seven days a week (except closed holidays)

Cost Share estimates are based on your benefits and the Services you expect to receive. They are a prediction of cost and not a guarantee of the final cost of Services. Your final cost may be higher or lower than the estimate since not everything about your care can be known in advance.

Explanation of benefits

After you receive Services, we will send you an explanation of benefits statement. The explanation of benefits is not a bill. It shows your total accumulation toward the Plan Deductible and Plan Out-of-Pocket Maximum. You can also view a copy of your explanation of benefits on **kp.org** or you may request a copy by calling our Member Service Contact Center at **1-800-390-3507** (TTY users call **711**) Monday through Friday 7 a.m. to 7 p.m.

Drug Deductible

This *EOC* does not include a Drug Deductible.

Plan Deductible

In any Accumulation Period, you must pay Charges for Services subject to the Plan Deductible until you reach one of the Plan Deductible amounts listed in the "Cost Share Summary" section of this *EOC*.

If you are a Member in a Family of two or more Members, you reach the Plan Deductible either when you reach the amount for any one Member, or when your entire Family reaches the Family amount. For example, suppose you have reached the deductible amount for any one Member. For Services subject to the Plan Deductible, you will not pay Charges during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Charges during the remainder of the Accumulation Period until either he or she reaches the deductible amount for any one Member, or the entire Family reaches the Family amount.

After you reach the Plan Deductible and for the remainder of the Accumulation Period, you pay the applicable Copayment or Coinsurance subject to the limits described under "Plan Out-of-Pocket Maximum" in this "Benefits" section.

Services that are subject to the Plan Deductible. All covered Services are subject to the Plan Deductible, except for certain preventive Services, as indicated in the "Cost Share Summary" section of this *EOC*. When the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Note: When the Cost Share for the Services is "no charge" and the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Also, if you pay a Plan Deductible amount for a Service that has a limit, such as a visit limit, the Services count toward reaching the limit.

The only payments that count toward the Plan Deductible are those you make for covered Services that are subject to this Plan Deductible under this *EOC*.

Keeping track of the Plan Deductible. When you pay an amount toward your Plan Deductible, we will give you a receipt that shows how much you paid. To see how close you are to reaching your Plan Deductible, use our online Out-of-Pocket Summary tool at **kp.org/outofpocket**, refer to your summary or explanation of benefits, or call our Member Service Contact Center.

Increasing the Plan Deductible. If the U.S. Department of the Treasury increases the minimum deductible required in High Deductible Health Plans, we will increase the Plan Deductible if necessary to meet the new minimum deductible requirement, and we will notify your Group.

Changes to your Family. When your Family changes during the Accumulation Period from self-only coverage to two or more Members (or vice versa), your Plan Deductible will change and the only Plan Deductible payments that will count in the new Family are those for Services that Members in the new Family received in that Accumulation Period under this *EOC*. For example:

- If you are a Family of one Member (self-only coverage) and then add Dependents during the Accumulation Period, the amounts that had been applied toward the Plan Deductible under your self-

only coverage will be applied toward the new Plan Deductible required for the expanded Family of two or more Members. Each Member in your expanded Family, including you, must pay Charges for covered Services until he or she reaches the Plan Deductible required for each Member in a Family of two or more Members (if applicable) or until your Family reaches the Plan Deductible required for a Family of two or more Members, even if you had met your Plan Deductible (for a Family of one Member) before you added the Dependents

- If all of your Dependents cease to be Members in your Family so that your Family becomes a Family of one Member, only the amounts that had been applied toward the Plan Deductible for Services that you received during the Accumulation Period will be applied toward the Plan Deductible required for self-only coverage. You must pay Charges for covered Services you receive on or after the date you become a Family of one Member until you reach the Plan Deductible required for self-only coverage, even if the Family had previously met the Plan Deductible for a Family of two or more Members

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service, after you meet any applicable deductible, is described in this *EOC*.

Note: If Charges for Services are less than the Copayment described in this *EOC*, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

Plan Out-of-Pocket Maximum

There is a limit to the total amount of Cost Share you must pay under this *EOC* in the Accumulation Period for covered Services that you receive in the same Accumulation Period. The Services that apply to the Plan Out-of-Pocket Maximum are described under the "Payments that count toward the Plan Out-of-Pocket Maximum" section below. Please refer to the "Cost Share Summary" section of this *EOC* for your applicable Plan Out-of-Pocket Maximum amounts.

If you are a Member in a Family of two or more Members, you reach the Plan Out-of-Pocket Maximum either when you reach the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the Plan Out-of-Pocket Maximum for any one Member. For Services subject to the Plan Out-of-Pocket Maximum, you will not pay any more Cost Share during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Cost Share during the remainder of the Accumulation Period until either he or she reaches the maximum for any one Member or your Family reaches the Family maximum.

Payments that count toward the Plan Out-of-Pocket Maximum. Any payments you make toward the Plan Deductible or Drug Deductible, if applicable, apply toward the maximum.

Most Copayments and Coinsurance you pay for covered Services apply to the maximum, however some may not. To find out whether a Copayment or Coinsurance for a covered Service will apply to the maximum please refer to the "Cost Share Summary" section of this *EOC*.

If your plan includes pediatric dental Services described in a Pediatric Dental Services Amendment to this *EOC*, those Services will apply toward the maximum. If your plan has a Pediatric Dental Services Amendment, it will be attached to this *EOC*, and it will be listed in the *EOC's* Table of Contents.

Keeping track of the Plan Out-of-Pocket Maximum. When you receive Services, we will give you a receipt that shows how much you paid. To see how close you are to reaching your Plan Out-of-Pocket Maximum, use our online Out-of-Pocket Summary tool at **kp.org/outofpocket** or call our Member Service Contact Center.

Administered Drugs and Products

Administered drugs and products are medications and products that require administration or observation by medical personnel, such as:

- Whole blood, red blood cells, plasma, and platelets
- Allergy antigens (including administration)
- Cancer chemotherapy drugs and adjuncts
- Drugs and products that are administered via intravenous therapy or injection that are not for cancer chemotherapy, including blood factor products and biological products ("biologics") derived from tissue, cells, or blood
- Other administered drugs and products

We cover these items when prescribed by a Plan Provider, in accord with our drug formulary guidelines, and they are administered to you in a Plan Facility or during home visits.

Certain administered drugs are Preventive Services. Please refer to "Family Planning Services" for information about administered contraceptives and refer

to "Preventive Services" for information on immunizations.

Ambulance Services

Emergency

We cover Services of a licensed ambulance anywhere in the world without prior authorization (including transportation through the 911 emergency response system where available) in the following situations:

- You reasonably believed that the medical condition was an Emergency Medical Condition which required ambulance Services
- Your treating physician determines that you must be transported to another facility because your Emergency Medical Condition is not Stabilized and the care you need is not available at the treating facility

If you receive emergency ambulance Services that are not ordered by a Plan Provider, you are not responsible for any amounts beyond your Cost Share for covered emergency ambulance Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Nonemergency

Inside our Service Area, we cover nonemergency ambulance and psychiatric transport van Services if a Plan Physician determines that your condition requires the use of Services that only a licensed ambulance (or psychiatric transport van) can provide and that the use of other means of transportation would endanger your health. These Services are covered only when the vehicle transports you to or from covered Services.

Ambulance Services exclusion(s)

- Transportation by car, taxi, bus, gurney van, wheelchair van, and any other type of transportation (other than a licensed ambulance or psychiatric transport van), even if it is the only way to travel to a Plan Provider

Bariatric Surgery

We cover hospital inpatient care related to bariatric surgical procedures (including room and board, imaging, laboratory, other diagnostic and treatment Services, and Plan Physician Services) when performed to treat obesity by modification of the gastrointestinal tract to reduce nutrient intake and absorption, if all of the following requirements are met:

- You complete the Medical Group–approved pre-surgical educational preparatory program regarding lifestyle changes necessary for long term bariatric surgery success
- A Plan Physician who is a specialist in bariatric care determines that the surgery is Medically Necessary

For covered Services related to bariatric surgical procedures that you receive, you will pay the Cost Share you would pay if the Services were not related to a bariatric surgical procedure. For example, see "Hospital inpatient care" in the "Cost Share Summary" section of this *EOC* for the Cost Share that applies for hospital inpatient care.

For the following Services related to "Bariatric Surgery," refer to these sections

- Outpatient prescription drugs (refer to "Outpatient Prescription Drugs, Supplies, and Supplements")

For covered dental and orthodontic procedures that you may receive, you will pay the Cost Share you would pay if the Services were not related to dental and orthodontic Services. For example, see "Hospital inpatient care" in the "Cost Share Summary" section of this *EOC* for the Cost Share that applies for hospital inpatient care.

Dental Services for radiation treatment

We cover dental evaluation, X-rays, fluoride treatment, and extractions necessary to prepare your jaw for radiation therapy of cancer in your head or neck if a Plan Physician provides the Services or if the Medical Group authorizes a referral to a dentist (as described in "Medical Group authorization procedure for certain referrals" under "Getting a Referral" in the "How to Obtain Services" section).

After you receive appropriate training at a dialysis facility we designate, we also cover equipment and medical supplies required for home hemodialysis and home peritoneal dialysis inside our Service Area. Coverage is limited to the standard item of equipment or supplies that adequately meets your medical needs. We decide whether to rent or purchase the equipment and supplies, and we select the vendor. You must return the equipment and any unused supplies to us or pay us the fair market price of the equipment and any unused supply when we are no longer covering them.

For the following Services related to "Dialysis Care," refer to these sections

- Durable medical equipment for home use (refer to "Durable Medical Equipment ("DME") for Home Use")
- Hospital inpatient care (refer to "Hospital Inpatient Care")
- Office visits not described in the "Dialysis Care" section (refer to "Office Visits")

Durable Medical Equipment ("DME") for Home Use

DME coverage rules

DME for home use is an item that meets the following criteria:

- The item is intended for repeated use
- The item is primarily and customarily used to serve a medical purpose
- The item is generally useful only to an individual with an illness or injury
- The item is appropriate for use in the home

For a DME item to be covered, all of the following requirements must be met:

- Your *EOC* includes coverage for the requested DME item
- A Plan Physician has prescribed the DME item for your medical condition
- The item has been approved for you through the Plan's prior authorization process, as described in "Medical Group authorization procedure for certain referrals" under "Getting a Referral" in the "How to Obtain Services" section
- The Services are provided inside our Service Area

Coverage is limited to the standard item of equipment that adequately meets your medical needs. We decide whether to rent or purchase the equipment, and we select the vendor. You must return the equipment to us or pay us the fair market price of the equipment when we are no longer covering it.

Subject to the benefit limit described under "DME benefit limit" in this "Durable Medical Equipment ("DME") for Home Use" section, we cover DME that is not described under "Base DME Items" or "Breastfeeding supplies," including repair and replacement of covered equipment, if all of the requirements described under "DME coverage rules" in this "Durable Medical Equipment ("DME") for Home Use" section are met.

Breastfeeding supplies

We cover one retail-grade breast pump per pregnancy and the necessary supplies to operate it, such as one set of bottles. We will decide whether to rent or purchase the item and we choose the vendor. We cover this pump for convenience purposes. The pump is not subject to prior authorization requirements.

If you or your baby has a medical condition that requires the use of a breast pump, we cover a hospital-grade breast pump and the necessary supplies to operate it, in accord with the coverage rules described under "DME coverage rules" in this "Durable Medical Equipment ("DME") for Home Use" section.

DME benefit limit

For DME covered under the "Supplemental DME items" section (including repair and replacement of covered equipment), there is a benefit limit per Member per Accumulation Period. Please refer to the "Cost Share Summary" section of this *EOC* for your benefit limit amount. We will calculate accumulation toward the benefit limit by adding up the Charges for the durable medical equipment you received in the Accumulation Period that are subject to the limit (including any of these items we covered under any other Health Plan evidence of coverage offered by your Group, whether or not the other evidence of coverage had a benefit limit), and subtracting any Cost Share you paid for those items. If you reach the benefit limit, we will not cover any more durable medical equipment in that Accumulation Period if they are subject to the benefit limit.

The following items are not subject to this benefit limit:

- Items listed under "Base DME Items" as described in this "Durable Medical Equipment ("DME") for Home Use" section
- Breast pumps and supplies as described in "Breastfeeding Supplies" in this "Durable Medical Equipment ("DME") for Home Use" section

- Up to 100 visits per Accumulation Period (counting all home health visits)

Note: If a visit by a nurse, medical social worker, or physical, occupational, or speech therapist lasts longer than two hours, then each additional increment of two hours counts as a separate visit. If a visit by a home health aide lasts longer than four hours, then each additional increment of four hours counts as a separate visit. For example, if a nurse comes to your home for three hours and then leaves, that counts as two visits. Also, each person providing Services counts toward these visit limits. For example, if a home health aide and a nurse are both at your home during the same two hours, that counts as two visits.

How to obtain covered items

You must obtain covered items at a Plan Pharmacy or through our mail-order service unless you obtain the item as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care described in the "Emergency Services and Urgent Care" section.

For the locations of Plan Pharmacies, refer to our Provider Directory or call our Member Service Contact Center.

Refills. You may be able to order refills at a Plan Pharmacy, through our mail-order service, or through our website at **kp.org/rxrefill**. A Plan Pharmacy can give you more information about obtaining refills, including the options available to you for obtaining refills. For example, a few Plan Pharmacies don't dispense refills and not all drugs can be mailed through our mail-order service. Please check with a Plan Pharmacy if you have a question about whether your prescription can be mailed or obtained at a Plan Pharmacy. Items available through our mail-order service are subject to change at any time without notice.

Day supply limit

The prescribing physician or dentist determines how much of a drug, supply, or supplement to prescribe. For purposes of day supply coverage limits, Plan Physicians determine the amount of an item that constitutes a Medically Necessary 30- or 100-day supply (or 365-day supply if the item is a hormonal contraceptive) for you. Upon payment of the Cost Share specified in the "Outpatient prescription drugs, supplies, and

supplements" section of the "Cost Share Summary," you will receive the supply prescribed up to the day supply limit also specified in this section. The maximum you may receive at one time of a covered item, other than a hormonal contraceptive, is either one 30-day supply in a 30-day period or one 100-day supply in a 100-day period. If you wish to receive more than the covered day supply limit, then you must pay Charges for any prescribed quantities that exceed the day supply limit.

If your plan includes coverage for hormonal contraceptives, the maximum you may receive at one time of contraceptive drugs is a 365-day supply. Refer to the "Cost Share Summary" section of this *EOC* to find out if your plan includes coverage for hormonal contraceptives.

If your plan includes coverage for sexual dysfunction drugs, the maximum you may receive at one time of episodic drugs prescribed for the treatment of sexual dysfunction disorders is 8 doses in any 30-day period or up to 27 doses in any 100-day period. Refer to the "Cost Share Summary" section of this *EOC* to find out if your plan includes coverage for sexual dysfunction drugs.

The pharmacy may reduce the day supply dispensed at the Cost Share specified in the "Outpatient prescription drugs, supplies, and supplements" section of the "Cost Share Summary" to a 30-day supply in any 30-day period if the pharmacy determines that the item is in limited supply in the market or for specific drugs (your Plan Pharmacy can tell you if a drug you take is one of these drugs).

About the drug formulary

The drug formulary includes a list of drugs that our Pharmacy and Therapeutics Committee has approved for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians, selects drugs for the drug formulary based on a number of factors, including safety and effectiveness as determined from a review of medical literature. The Pharmacy and Therapeutics Committee meets at least quarterly to consider additions and deletions based on new information or drugs that become available. To find out which drugs are on the formulary for your plan, please visit our website at **kp.org/formulary**. If you would like to request a copy of the drug formulary for your plan, please call our Member Service Contact Center. Note: The presence of a drug on the drug formulary does not necessarily mean that it will be prescribed for a particular medical condition.

Formulary exception process. Drug formulary guidelines allow you to obtain a non-formulary prescription drug (those not listed on our drug formulary for your condition) if it would otherwise be covered by your plan, as described above, and it is Medically Necessary. If you disagree with a Health Plan determination that a non-formulary prescription drug is not covered, you may file a grievance as described in the "Dispute Resolution" section.

Continuity drugs. If this *EOC* is amended to exclude a drug that we have been covering and providing to you under this *EOC*, we will continue to provide the drug if a prescription is required by law and a Plan Physician continues to prescribe the drug for the same condition and for a use approved by the Federal Food and Drug Administration.

About drug tiers

Drugs on the drug formulary are categorized into one of three tiers, as described in the table below. Your Cost Share for covered items may vary based on the tier. Please refer to "Outpatient prescription drugs, supplies, and supplements" in the "Cost Share Summary" section of this *EOC* for Cost Share for items covered under this section.

Drug Tier	Description
Generic drugs (Tier 1)	Generic drugs, supplies and supplements, and some low-cost brand-name drugs, supplies, and supplements
Brand drugs (Tier 2)*	Most brand-name drugs, supplies, and supplements
Specialty drugs (Tier 4)	Specialty drugs (see "About specialty drugs")

*Note: This plan does not have a tier for non-formulary drugs ("Tier 3"). You will pay the same Cost Share for non-formulary drugs as you would for formulary drugs, when approved through the formulary exception process described above (the generic drugs, brand drugs, or specialty drugs Cost Share will apply, as applicable).

About specialty drugs. Specialty drugs (Tier 4) are high-cost drugs that are on our specialty drug list. To obtain a list of specialty drugs that are on our formulary, or to find out if a non-formulary drug is on the specialty drugs tier, please call our Member Service Contact Center. If your Plan Physician prescribes more than a 30-day supply for an outpatient drug, you may be able to obtain more than a 30-day supply at one time, up to the day supply limit for that drug. However, most specialty

drugs are limited to a 30-day supply in any 30-day period. Your Plan Pharmacy can tell you if a drug you take is one of these drugs.

General rules about coverage and your Cost Share

We cover the following outpatient drugs, supplies, and supplements as described in this "Outpatient Prescription Drugs, Supplies, and Supplements" section:

- Drugs for which a prescription is required by law. We also cover certain drugs that do not require a prescription by law if they are listed on our drug formulary
- Disposable needles and syringes needed for injecting covered drugs and supplements
- Inhaler spacers needed to inhale covered drugs

Note:

- If Charges for the drug, supply, or supplement are less than the Copayment, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum
- Items can change tier at any time, in accord with formulary guidelines, which may impact your Cost Share (for example, if a brand-name drug is added to the specialty drug list, you will pay the Cost Share that applies to drugs on the specialty drugs tier (Tier 4), not the Cost Share for drugs on the brand drugs tier (Tier 2))

Schedule II drugs. You or the prescribing provider can request that the pharmacy dispense less than the prescribed amount of a covered oral, solid dosage form of a Schedule II drug (your Plan Pharmacy can tell you if a drug you take is one of these drugs). Your Cost Share will be prorated based on the amount of the drug that is dispensed. If the pharmacy does not prorate your Cost Share, we will send you a refund for the difference.

Mail-order service. Prescription refills can be mailed within 7 to 10 days at no extra cost for standard U.S. postage. The appropriate Cost Share (according to your drug coverage) will apply and must be charged to a valid credit card.

You may request mail-order service in the following ways:

- To order online, visit **kp.org/rxrefill** (you can register for a secure account at **kp.org/registernow**) or use the KP app from your smartphone or other mobile device
- Call the pharmacy phone number highlighted on your prescription label and select the mail delivery option
- On your next visit to a Kaiser Permanente pharmacy, ask our staff how you can have your prescriptions mailed to you

Note: Not all drugs can be mailed; restrictions and limitations apply.

Base drugs, supplies, and supplements. Cost Share for the following items may be different than other drugs, supplies, and supplements. Refer to "Base drugs, supplies, and supplements" in the "Cost Share Summary" section of this *EOC*:

Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest hospital as described under "Emergency Services" in the "Emergency Services and Urgent Care" section, and we will provide coverage and reimbursement as described in that section.

Coordination of Benefits

The Services covered under this *EOC* are subject to coordination of benefits rules.

Coverage other than Medicare coverage

If you have medical or dental coverage under another plan that is subject to coordination of benefits, we will coordinate benefits with the other coverage under the coordination of benefits rules of the California Department of Managed Health Care. Those rules are incorporated into this *EOC*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100 percent of your covered medical expenses are paid for that Service. The coordination of benefits rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *EOC* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during a calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us during that calendar year. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about coordination of benefits, please call our Member Service Contact Center.

Medicare coverage

If you have Medicare coverage, we will coordinate benefits with the Medicare coverage under Medicare rules. Medicare rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." You must give us any information we request to help us coordinate benefits. Please call our Member Service Contact Center to find out which

Medicare rules apply to your situation, and how payment will be handled.

Reductions

Employer responsibility

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

Government agency responsibility

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such Services we may recover the value of the Services from the government agency.

Injuries or illnesses alleged to be caused by third parties

If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040. Note: This "Injuries or illnesses alleged to be caused by third parties" section does not affect your obligation to pay your Cost Share for these Services.

To the extent permitted or required by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you or we obtain against a third party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

The Rawlings Group
Subrogation Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you have Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However, these contracts may allow the providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and their General Fees by means of a lien claim under California Civil Code Sections 3045.1–3045.6 against a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

Surrogacy arrangements

If you enter into a Surrogacy Arrangement and you or any other payee are entitled to receive payments or other compensation under the Surrogacy Arrangement, you must reimburse us for covered Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with that arrangement ("Surrogacy Health Services") to the maximum extent allowed under California Civil Code Section 3040. A "Surrogacy Arrangement" is one in which a woman agrees to

become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise the child (or children), whether or not the woman receives payment for being a surrogate. Note: This "Surrogacy arrangements" section does not affect your obligation to pay your Cost Share for these Services. After you surrender a baby to the legal parents, you are not obligated to reimburse us for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or any other payee under the Surrogacy Arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and phone numbers of the other parties to the arrangement
- Names, addresses, and phone numbers of any escrow agent or trustee
- Names, addresses, and phone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and phone numbers for any health insurance that will cover Services that the baby (or babies) receive
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

The Rawlings Group
Surrogacy Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this "Surrogacy arrangements" section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this "Surrogacy arrangements" section without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you have questions about your obligations under this provision, please contact our Member Service Contact Center.

U.S. Department of Veterans Affairs

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

Workers' compensation or employer's liability benefits

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

When appropriate, we will request medical records from Plan Providers on your behalf. If you tell us that you have consulted with a Non–Plan Provider and are unable to provide copies of relevant medical records, we will contact the provider to

request a copy of your relevant medical records. We will ask you to provide us a written authorization so that we can request your records.

If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information. After we receive your claim

- If we need more information, we will ask you for the information before the end of the initial 30-day decision period. We will send our written decision no later than 15 days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in our letter, we will make our decision based on the information we have within 15 days after the end of that timeframe

If we pay any part of your claim, we will subtract applicable Cost Share from any payment we make to you or the Non–Plan Provider. You are not responsible for any amounts beyond your Cost Share for covered Emergency Services. If we deny your claim (if we do not agree to pay for all the Services you requested other than the applicable Cost Share), our letter will explain why we denied your claim and how you can appeal.

Department of Managed Health Care Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan toll free at **1-800-464-4000** (TTY users call **711**) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet website **http://www.hmohelp.ca.gov** has complaint forms, IMR application forms and instructions online.

Independent Medical Review ("IMR")

Except as described in this "Independent Medical Review ("IMR")" section, you must exhaust our internal grievance procedure before you may request independent medical review unless we have failed to comply with the grievance procedure described under "Grievances" in this "Dispute Resolution" section. If you qualify, you or your authorized representative may have your issue reviewed through the IMR process managed by the California Department of Managed Health Care ("DMHC"). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
  - you have a recommendation from a provider requesting Medically Necessary Services
  - you have received Emergency Services, emergency ambulance Services, or Urgent Care from a provider who determined the Services to be Medically Necessary
  - you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for urgent grievances). The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function. If we have denied your grievance, you must submit your request for an IMR within six months of the date of our written denial. However, the DMHC may accept your request after six months if they determine that circumstances prevented timely submission

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If the DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's IMR organization. The DMHC will promptly notify you of its decision after it receives the IMR organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within three days after we received your request. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. "Life-threatening" means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. "Seriously debilitating" means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, he or she recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying his or her recommendation
- You (or your Non–Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying his or her recommendation.
- We do not cover the Services of the Non–Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Office of Civil Rights Complaints

If you believe that you have been discriminated against by a Plan Provider or by us because of your race, color, national origin, disability, age, sex (including sex stereotyping and gender identity), or religion, you may file a complaint with the Office of Civil Rights in the United States Department of Health and Human Services ("OCR").

You may file your complaint with the OCR within 180 days of when you believe the act of discrimination occurred. However, the OCR may accept your request after six months if they determine that circumstances prevented timely submission. For more information on the OCR and how to file a complaint with the OCR, go to **hhs.gov/civil-rights**.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review:

- If your Group's benefit plan is subject to the Employee Retirement Income Security Act ("ERISA"), you may file a civil action under section 502(a) of ERISA. To understand these rights, you should check with your Group or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at **1-866-444-EBSA** (**1-866-444-3272**)
- If your Group's benefit plan is not subject to ERISA (for example, most state or local government plans and church plans), you may have a right to request review in state court

Binding Arbitration

For all claims subject to this "Binding Arbitration" section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such

retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party's relationship to Kaiser Foundation Health Plan, Inc. ("Health Plan"), including any claim for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of the legal theories upon which the claim is asserted
- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- Governing law does not prevent the use of binding arbitration to resolve the claim

Members enrolled under this *EOC* thus give up their right to a court or jury trial, and instead accept the use of binding arbitration except that the following types of claims are not subject to binding arbitration:

- Claims within the jurisdiction of the Small Claims Court
- Claims subject to a Medicare appeal procedure as applicable to Kaiser Permanente Senior Advantage Members
- Claims that cannot be subject to binding arbitration under governing law

As referred to in this "Binding Arbitration" section, "Member Parties" include:

- A Member
- A Member's heir, relative, or personal representative
- Any person claiming that a duty to him or her arises from a Member's relationship to one or more Kaiser Permanente Parties

"Kaiser Permanente Parties" include:

- Kaiser Foundation Health Plan, Inc.
- Kaiser Foundation Hospitals
- KP Cal, LLC
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group
- The Permanente Federation, LLC
- The Permanente Company, LLC
- Any Southern California Permanente Medical Group or The Permanente Medical Group physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

"Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

Rules of Procedure

Arbitrations shall be conducted according to the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* ("Rules of Procedure") developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from our Member Service Contact Center.

Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and telephone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include in the Demand for Arbitration all claims against Respondents that are based on the same incident, transaction, or related circumstances.

Serving Demand for Arbitration

Health Plan, Kaiser Foundation Hospitals, KP Cal, LLC, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.
Legal Department
393 E. Walnut St.
Pasadena, CA 91188

Service on that Respondent shall be deemed completed when received. All other Respondents, including

individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing fee

The Claimants shall pay a single, nonrefundable filing fee of $150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling our Member Service Contact Center.

Number of arbitrators

The number of arbitrators may affect the Claimants' responsibility for paying the neutral arbitrator's fees and expenses (see the Rules of Procedure).

If the Demand for Arbitration seeks total damages of $200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing after a dispute has arisen and a request for binding arbitration has been submitted that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than $200,000.

If the Demand for Arbitration seeks total damages of more than $200,000, the dispute shall be heard and determined by one neutral arbitrator and two party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

Payment of arbitrators' fees and expenses

Health Plan will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the Rules of Procedure. In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondent served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for non-economic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this "Binding Arbitration" section. In accord with the rule that applies under Sections 3 and 4 of the Federal Arbitration Act, the right to arbitration under this "Binding Arbitration" section shall not be denied, stayed, or otherwise impeded because a dispute between a Member Party and a Kaiser Permanente Party involves both arbitrable and nonarbitrable claims or because one

or more parties to the arbitration is also a party to a pending court action with a third party that arises out of the same or related transactions and presents a possibility of conflicting rulings or findings.

Termination of Membership

Your Group is required to inform the Subscriber of the date your membership terminates. Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2021, your last minute of coverage was at 11:59 p.m. on December 31, 2020). When a Subscriber's membership ends, the memberships of any Dependents end at the same time. You will be billed as a non-Member for any Services you receive after your membership terminates. Health Plan and Plan Providers have no further liability or responsibility under this *EOC* after your membership terminates, except as provided under "Payments after Termination" in this "Termination of Membership" section.

Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements described under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section, your Group will notify you of the date that your membership will end. Your membership termination date is the first day you are not covered. For example, if your termination date is January 1, 2021, your last minute of coverage was at 11:59 p.m. on December 31, 2020.

Termination of *Agreement*

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Agreement* with us terminates.

Termination for Cause

If you intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider, we may terminate your membership by sending written notice to the Subscriber; termination will be effective 30 days from the date we send the notice. Some examples of fraud include:

- Misrepresenting eligibility information about you or a Dependent
- Presenting an invalid prescription or physician order
- Misusing a Kaiser Permanente ID card (or letting someone else use it)
- Giving us incorrect or incomplete material information. For example, you have entered into a Surrogacy Arrangement and you fail to send us the information we require under "Surrogacy arrangements" under "Reductions" in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section
- Failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may also report criminal fraud and other illegal acts to the authorities for prosecution.

Termination of a Product or all Products

We may terminate a particular product or all products offered in the group market as permitted or required by law. If we discontinue offering a particular product in the group market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products in the group market, we may terminate your Group's *Agreement* by sending you written notice at least 180 days before the *Agreement* terminates.

Payments after Termination

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Premiums paid after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with the "Emergency Services and Urgent Care" and "Dispute Resolution" sections

We will deduct any amounts you owe Health Plan or Plan Providers from any payment we make to you.

State Review of Membership Termination

If you believe that we have terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see

"Department of Managed Health Care Complaints" in the "Dispute Resolution" section).

Continuation of Membership

If your membership under this *EOC* ends, you may be eligible to continue Health Plan membership without a break in coverage. You may be able to continue Group coverage under this *EOC* as described under "Continuation of Group Coverage." Also, you may be able to continue membership under an individual plan as described under "Continuation of Coverage under an Individual Plan." If at any time you become entitled to continuation of Group coverage, please examine your coverage options carefully before declining this coverage. Individual plan premiums and coverage will be different from the premiums and coverage under your Group plan.

Continuation of Group Coverage

COBRA

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Consolidated Omnibus Budget Reconciliation Act ("COBRA"). COBRA applies to most employees (and most of their covered family Dependents) of most employers with 20 or more employees.

If your Group is subject to COBRA and you are eligible for COBRA coverage, in order to enroll you must submit a COBRA election form to your Group within the COBRA election period. Please ask your Group for details about COBRA coverage, such as how to elect coverage, how much you must pay for coverage, when coverage and Premiums may change, and where to send your Premium payments.

If you enroll in COBRA and exhaust the time limit for COBRA coverage, you may be able to continue Group coverage under state law as described under "Cal-COBRA" in this "Continuation of Group Coverage" section.

Cal-COBRA

If you are eligible for coverage under the California Continuation Benefits Replacement Act ("Cal-COBRA"), you can continue coverage as described in this "Cal-COBRA" section if you apply for coverage in compliance with Cal-COBRA law and pay applicable Premiums.

Eligibility and effective date of coverage for Cal-COBRA after COBRA. If your group is subject to COBRA and your COBRA coverage ends, you may be able to continue Group coverage effective the date your COBRA coverage ends if all of the following are true:

- Your effective date of COBRA coverage was on or after January 1, 2003
- You have exhausted the time limit for COBRA coverage and that time limit was 18 or 29 months
- You do not have Medicare

You must request an enrollment application by calling our Member Service Contact Center within 60 days of the date of when your COBRA coverage ends.

Cal-COBRA enrollment and Premiums. Within 10 days of your request for an enrollment application, we will send you our application, which will include Premium and billing information. You must return your completed application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay Full Premiums within 45 days after the date we issue the bill. The first Premium payment will include coverage from your Cal-COBRA effective date through our current billing cycle. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

After that first payment, your Premium payment for the upcoming coverage month is due on first day of that month. The Premiums will not exceed 110 percent of the applicable Premiums charged to a similarly situated individual under the Group benefit plan except that Premiums for disabled individuals after 18 months of COBRA coverage will not exceed 150 percent instead of 110 percent. Returned checks or insufficient funds on electronic payments will be subject to a $25 fee.

If you have selected Ancillary Coverage provided under any other program, the Premium for that Ancillary Coverage will be billed together with required Premiums for coverage under this *EOC*. Full Premiums will then also include Premium for Ancillary Coverage. This means if you do not pay the Full Premiums owed by the due date, we may terminate your membership under this *EOC* and any Ancillary Coverage, as described in the "Termination for nonpayment of Cal-COBRA Premiums" section.

Changes to Cal-COBRA coverage and Premiums. Your Cal-COBRA coverage is the same as for any similarly situated individual under your Group's *Agreement*, and your Cal-COBRA coverage and Premiums will change at the same time that coverage or Premiums change in your Group's *Agreement*. Your Group's coverage and Premiums will change on the renewal date of its *Agreement* (January 1), and may also change at other times if your Group's *Agreement* is amended. Your monthly invoice will reflect the current Premiums that are due for Cal-COBRA coverage, including any changes. For example, if your Group makes a change that affects Premiums retroactively, the amount we bill you will be adjusted to reflect the retroactive adjustment in Premiums. Your Group can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended. You can also request one from our Member Service Contact Center.

Cal-COBRA open enrollment or termination of another health plan. If you previously elected Cal-COBRA coverage through another health plan available through your Group, you may be eligible to enroll in Kaiser Permanente during your Group's annual open enrollment period, or if your Group terminates its agreement with the health plan you are enrolled in. You will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA. Please ask your Group for information about health plans available to you either at open enrollment or if your Group terminates a health plan's agreement.

In order for you to switch from another health plan and continue your Cal-COBRA coverage with us, we must receive your enrollment application during your Group's open enrollment period, or within 63 days of receiving the Group's termination notice described under "Group responsibilities." To request an application, please call our Member Service Contact Center. We will send you our enrollment application and you must return your completed application before open enrollment ends or within 63 days of receiving the termination notice described under "Group responsibilities." If we approve your enrollment application, we will send you billing information within 30 days after we receive your application. You must pay the bill within 45 days after the date we issue the bill. You must send us the Premium payment by the due date on the bill to be enrolled in Cal-COBRA.

How you may terminate your Cal-COBRA coverage. You may terminate your Cal-COBRA coverage by sending written notice, signed by the Subscriber, to the address below. Your membership will terminate at 11:59 p.m. on the last day of the month in which we receive your notice. Also, you must include with your notice all amounts payable related to your Cal-COBRA coverage, including Premiums, for the period prior to your termination date.

Kaiser Foundation Health Plan, Inc.
California Service Center
P.O. Box 23127
San Diego, CA 92193-3127

Termination for nonpayment of Cal-COBRA Premiums. If you do not pay Full Premiums by the due date, we may terminate your membership as described in this "Termination for nonpayment of Cal-COBRA Premiums" section. If you intend to terminate your membership, be sure to notify us as described under "How you may terminate your Cal-COBRA coverage" in this "Cal-COBRA" section, as you will be responsible for any Premiums billed to you unless you let us know before the first of the coverage month that you want us to terminate your coverage.

Your Premium payment for the upcoming coverage month is due on the first day of that month. If we do not receive full Premium payment on or before the first day of the coverage month, we will send a notice of nonreceipt of payment (a "Late Notice") to the Subscriber's address of record. This Late Notice will include the following information:

- A statement that we have not received full Premium payment and that we will terminate the memberships of everyone in your Family for nonpayment if we do not receive the required Premiums within 30 days after the date of the Late Notice
- The amount of Premiums that are due
- The specific date and time when the memberships of everyone in your Family will end if we do not receive the Premiums

If we terminate your Cal-COBRA coverage because we did not receive Full Premiums when due, your membership will end at 11:59 p.m. on the 30th day after the date of the Late Notice. Your coverage will continue during this 30-day grace period, but upon termination you will be responsible for paying all past due Premiums, including the Premiums for this grace period.

We will mail a Termination Notice to the Subscriber's address of record if we do not receive full Premium payment within 30 days after the date of the Late Notice. The Termination Notice will include the following information:

- A statement that we have terminated the memberships of everyone in your Family for nonpayment of Premiums
- The specific date and time when the memberships of everyone in your Family ended
- The amount of Premiums that are due
- Information explaining whether or not you can reinstate your memberships
- Your appeal rights

If we terminate your membership, you are still responsible for paying all amounts due.

Reinstatement of your membership after termination for nonpayment of Cal-COBRA Premiums. If we terminate your membership for nonpayment of Premiums, we will permit reinstatement of your membership three times during any 12-month period if we receive the amounts owed within 15 days of the date of the Termination Notice. We will not reinstate your membership if you do not obtain reinstatement of your terminated membership within the required 15 days, or if we terminate your membership for nonpayment of Premiums more than three times in a 12-month period.

Termination of Cal-COBRA coverage. Cal-COBRA coverage continues only upon payment of applicable monthly Premiums to us at the time we specify, and terminates on the earliest of:

- The date your Group's *Agreement* with us terminates (you may still be eligible for Cal-COBRA through another Group health plan)
- The date you get Medicare
- The date your coverage begins under any other group health plan that does not contain any exclusion or limitation with respect to any pre-existing condition you may have (or that does contain such an exclusion or limitation, but it has been satisfied)
- The date that is 36 months after your original COBRA effective date (under this or any other plan)
- The date your membership is terminated for nonpayment of Premiums as described under "Termination for nonpayment of Cal-COBRA Premiums" in this "Continuation of Membership" section

Note: If the Social Security Administration determined that you were disabled at any time during the first 60 days of COBRA coverage, you must notify your Group within 60 days of receiving the determination from Social Security. Also, if Social Security issues a final determination that you are no longer disabled in the 35th or 36th month of Group continuation coverage, your Cal-COBRA coverage will end the later of: (1) expiration of 36 months after your original COBRA effective date, or (2) the first day of the first month following 31 days after Social Security issued its final determination. You must notify us within 30 days after you receive Social Security's final determination that you are no longer disabled.

Group responsibilities. If your Group's agreement with a health plan is terminated, your Group is required to provide written notice at least 30 days before the termination date to the persons whose Cal-COBRA coverage is terminating. This notice must inform Cal-COBRA beneficiaries that they can continue Cal-COBRA coverage by enrolling in any health benefit plan offered by your Group. It must also include information about benefits, premiums, payment instructions, and enrollment forms (including instructions on how to continue Cal-COBRA coverage under the new health plan). Your Group is required to send this information to the person's last known address, as provided by the prior health plan. Health Plan is not obligated to provide this information to qualified beneficiaries if your Group fails to provide the notice. These persons will be entitled to Cal-COBRA coverage only for the remainder, if any, of the coverage period prescribed by Cal-COBRA.

USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal Uniformed Services Employment and Reemployment Rights Act ("USERRA"). You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group to find out how to elect USERRA coverage and how much you must pay your Group.

Coverage for a Disabling Condition

If you became Totally Disabled while you were a Member under your Group's *Agreement* with us and while the Subscriber was employed by your Group, and your Group's *Agreement* with us terminates and is not renewed, we will cover Services for your totally disabling condition until the earliest of the following events occurs:

- 12 months have elapsed since your Group's *Agreement* with us terminated
- You are no longer Totally Disabled
- Your Group's *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this *EOC*, including Cost Share, but we will not cover Services for any condition other than your totally disabling condition.

For Subscribers and adult Dependents, "Totally Disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, "Totally Disabled" means that, in the judgment of a Medical Group physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

To request continuation of coverage for your disabling condition, you must call our Member Service Contact Center within 30 days after your Group's *Agreement* with us terminates.

Continuation of Coverage under an Individual Plan

If you want to remain a Health Plan member when your Group coverage ends, you might be able to enroll in one of our Kaiser Permanente for Individuals and Families plans. The premiums and coverage under our individual plan coverage are different from those under this *EOC*.

If you want your individual plan coverage to be effective when your Group coverage ends, you must submit your application within the special enrollment period for enrolling in an individual plan due to loss of other coverage. Otherwise, you will have to wait until the next annual open enrollment period.

To request an application to enroll directly with us, please go to **kp.org** or call our Member Service Contact Center. For information about plans that are available through Covered California, see "Covered California" below.

Covered California

U.S. citizens or legal residents of the U.S. can buy health care coverage from Covered California. This is California's health insurance marketplace ("the Exchange"). You may apply for help to pay for premiums and copayments but only if you buy coverage through Covered California. This financial assistance may be available if you meet certain income guidelines. To learn more about coverage that is available through Covered California, visit **CoveredCA.com** or call Covered California at **1-800-300-1506** (TTY users call **711**).

Miscellaneous Provisions

Administration of *Agreement*

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of your Group's *Agreement*, including this *EOC*.

Advance Directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including the following:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact the Member Services Department at a Plan Facility. For more information about advance directives, refer to our website at **kp.org** or call our Member Service Contact Center.

Amendment of *Agreement*

Your Group's *Agreement* with us will change periodically. If these changes affect this *EOC*, your

Group is required to inform you in accord with applicable law and your Group's *Agreement*.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

Attorney and Advocate Fees and Expenses

In any dispute between a Member and Health Plan, the Medical Group, or Kaiser Foundation Hospitals, each party will bear its own fees and expenses, including attorneys' fees, advocates' fees, and other expenses.

Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this *EOC* and we have the discretionary authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*. We may use medical experts to help us review claims. If coverage under this *EOC* is subject to the Employee Retirement Income Security Act ("ERISA") claims procedure regulation (29 CFR 2560.503-1), then we are a "named claims fiduciary" to review claims under this *EOC*.

EOC Binding on Members

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

ERISA Notices

This "ERISA Notices" section applies only if your Group's health benefit plan is subject to the Employee Retirement Income Security Act ("ERISA"). We provide these notices to assist ERISA-covered groups in complying with ERISA. Coverage for Services described in these notices is subject to all provisions of this *EOC*.

Newborns' and Mother's Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for all stages of reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, prostheses, and treatment of physical complications of the mastectomy, including lymphedemas. These benefits will be provided subject to the same Cost Share applicable to other medical and surgical benefits provided under this plan.

Governing Law

Except as preempted by federal law, this *EOC* will be governed in accord with California law and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Health Plan whether or not set forth in this *EOC*.

Group and Members Not Our Agents

Neither your Group nor any Member is the agent or representative of Health Plan.

No Waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

Notices Regarding Your Coverage

Our notices to you will be sent to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Subscribers who move should call our Member Service Contact Center as soon as possible to give us their new address. If a Member does not reside with the Subscriber, or needs to have confidential information sent to an address other than the Subscriber's address, he or she should contact our Member Service Contact Center to discuss alternate delivery options.

Note: When we tell your Group about changes to this *EOC* or provide your Group other information that affects you, your Group is required to notify the Subscriber within 30 days (or five days if we terminate your Group's *Agreement*) after receiving the information from us.

Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment or from any person or organization obligated to pay for the Services.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information. We also require contracting providers to protect your protected health information. You can request delivery of confidential communication to a location other than your usual address or by a means of delivery other than the usual means.

We may use or disclose your protected health information for treatment, health research, payment, and health care operations purposes, such as measuring the quality of Services.
