Changing Your Benefit Elections

Open Enrollment is the **only** time during the calendar year when you can make changes to your medical, dental, or vision coverage, enroll/re-enroll in the HCRA and/or DCRA plans, **unless you experience a *Qualifying Life Event***.

Actions You Can Take During Open Enrollment

- Change to a different medical plan.
- Change to a different dental plan. (California residents only.)
- Opt out of your medical, dental, and/or vision plan; or enroll in a plan if you previously opted out.
- Enroll eligible family members in your health plans.
- Cancel health plan coverage for currently enrolled family members.
- Enroll or re-enroll in the Health Care Reimbursement Account (HCRA)—if currently enrolled, you **must re-enroll** for 2015.
- Enroll or re-enroll in the Dependent Care Reimbursement Account (DCRA)—if currently enrolled, you **must re-enroll** for 2015.

Actions Permitted Outside Open Enrollment (Qualifying Life Event)

You are allowed to change your benefit elections outside of Open Enrollment *if certain events occur and if you make the change within 31 days of the event*. Generally, the event must affect eligibility and the election change must be on account of and correspond with the event. In compliance with Section 125 of the IRS Code, medical, dental, vision, and spending account plan elections may be changed during the calendar year **only** if you have a Qualifying Life Event. Such events include:

- a change in your legal marital status, including marriage, divorce, death of your spouse, domestic or civil union partner, legal separation, or annulment;
- a change in the number of your tax dependents including through birth, adoption, placement for adoption, or death;

- termination or commencement of employment by you, your spouse, domestic or civil union partner, or dependent;
- an event that changes your, your spouse's, or your other dependent's employment status that results in gaining or losing eligibility for coverage;
- your dependent's ability or inability to satisfy dependent eligibility requirements;
- a change in residence or work site by you, your spouse, domestic or civil union partner, or dependent that causes a loss of access to providers in your HMO plan's network.

PLEASE NOTE: *If you do not notify the Benefits Office within 31 days of the event, you will **not** be able to add a dependent or make any other coverage changes until the next Open Enrollment Period, with benefits coverage effective the following January 1.*

Disability and life insurance coverage can be changed at any time during the year. Changes to these plans are not available on *Self Service* during Open Enrollment. At any time, if you want to enroll in or increase your disability coverage or your life insurance coverage, you must submit a Statement of Health to the applicable insurance carrier. Your application must be approved by the carrier before the coverage change goes into effect. Contact the Benefits Office to make changes to these plans.

For more information see the *LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (January 2013)* located at https://benefits.llnl.gov/summary_plan_descriptions.html.

Dependent Eligibility

If an enrolled family member loses eligibility during the year, you are responsible for de-enrolling that family member. Don't wait until Open Enrollment. A child who turns 26 is automatically de-enrolled by LLNS (legal wards are de-enrolled at 18). You are responsible for costs incurred in connection with the enrollment of ineligible family members and you could be subject to penalties associated with the misuse of the plan if you continue coverage for family members who no longer meet LLNS eligibility rules. For more information see the *LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (January 2013)*. Questions about eligibility should be directed to the Benefits Office at 1-925-422-9955.

Health, Dental, and Vision Care

Medical Benefit Choices

You are encouraged to evaluate your options to ensure that the choices you made for the current year still make sense for 2015. Plan rates are on page 8. A medical plan comparison chart to help facilitate a comparison of the plans begins on page 17. Plans available for 2015 include:

- ✓ Kaiser Permanente CA
- ✓ Anthem Blue Cross EPO
- ✓ Anthem Blue Cross Plus
- ✓ Anthem Blue Cross PPO
- ✓ Anthem Blue Cross HDHP
- ✓ Anthem Blue Cross Core

If you are covering a dependent child whose eligibility requires tax dependency and tax dependency is lost at any time, promptly notify the Benefits Office at 1-925-422-9955.

If you enroll in the HDHP medical plan option, you will also be eligible for the Health Savings Account (HSA) that accompanies this option. LLNS will make contributions to the HSA on your behalf. **An employee cannot be enrolled in another plan (including Medicare Part A) unless the other plan is HSA compliant.** In addition, you will be able to make before-tax* contributions to your HSA up to IRS limits. In 2015, LLNS will contribute \$750 for employee only coverage and \$1,500 for family coverage (i.e., all other coverage tiers). You may contribute up to \$2,600 for employee only coverage, and \$5,150 for family coverage. If you are age 55 or older, you can contribute an additional \$1,000. You can make your HSA before-tax contributions via payroll deduction or directly to your HSA on an after-tax basis and claim them on your tax return. BenefitWallet is the administrator of the HSA; Mellon bank is the HSA custodian.

The HSA can be used to pay for qualified medical, prescription, dental, and vision expenses. It can also be used to pay for qualified expenses for dependents not enrolled in a LLNS medical, dental, or vision plan as long as the dependent is a qualified dependent under IRS rules (IRC Section 152).

Please note that if you enroll in the HDHP/HSA medical plan option, you will not be eligible for the Health Care Reimbursement Account (HCRA).

* HSA contributions are federal and state before-tax in all states except in CA, AL, and NJ. Employer contributions made to your Health Saving Account (HSA) are required to be treated as taxable income in California and therefore will be reported as imputed income for state tax purposes.

Mandatory Prescription Mail Order Program

The Anthem Blue Cross mandatory mail order program for maintenance medications remains in effect in 2015. CVS/Caremark offers the Maintenance Choice program which allows you to fill a mandatory mail order drug at a local CVS pharmacy for the same cost as mail order. You can call CVS/Caremark Customer Service at 1-866-623-1438 with any questions you may have about their services. Please refer to the comparison charts beginning on page 17 for the cost to fill your prescription.

Mental Health and Substance Abuse Benefits

LLNS medical plans include mental health and substance abuse benefits as follows:

Kaiser: Kaiser Members continue to access all mental health and substance abuse services through Kaiser physicians or facilities. Refer to the Medical Plan Comparison Chart for Kaiser Mental Health/Substance Abuse coverages.

Anthem Blue Cross plans: All mental health and substance abuse services must be provided by OptumHealth. To ensure full coverage of your services, contact OptumHealth for authorization of your visits. Referral by an Anthem Blue Cross physician is not a guarantee that services will be paid. You must contact OptumHealth to obtain preauthorization. Refer to the Mental Health/Substance Abuse Comparison Chart on page 27 for benefit details.

HIPAA Special Enrollment Rights

(Health Insurance Portability and Accountability Act of 1996)

If you are declining enrollment in medical/vision/dental coverage for yourself or your eligible dependents (including your spouse, domestic partner, dependent children and domestic partner's dependent children) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in medical/vision/dental coverage if you or your dependents lose eligibility for that other coverage (or if the employer stopped contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption, or foster care, you may be able to enroll yourself and your dependents. Your special enrollment request must be made within 31 days after the marriage, birth, adoption, placement for adoption or foster care. Contact the Benefits Office at (925) 422-9955 for more information.

Legal Insurance

Legal insurance is offered through ARAG and **is open to new enrollments** this Open Enrollment period. For more information see page 6, *Actions Permitted Outside of Open Enrollment. (To make changes to the Life Insurance plans contact the Benefits Office at 925-422-9955.)*

Basic (LLNS paid)

There are no plan design changes for Basic Life Insurance in 2015. This coverage is equal to one times your base salary up to a maximum of \$400,000.

Be aware that the IRS requires the value of employer-paid life insurance in excess of \$50,000 to be considered “imputed income.” You have the option of waiving life insurance coverage over \$50,000 at any time. You can later increase your coverage to one times your base salary.

A worksheet to calculate the amount of your taxable (imputed) income is available on the Open Enrollment web site accessible from the front page of *MyLLNL*.

Supplemental

The rates for Supplemental Life are remaining the same for 2015 and are based on your age and base salary as of each pay period. Employees enrolling in Supplemental Life during their period of initial eligibility (PIE) will be guaranteed issue up to the lesser of 3 times their base salary or \$750,000.

Employees who wish to increase their life insurance coverage must complete a Statement of Health for approval by the carrier.

Flexible Spending Accounts

Flexible Spending Accounts (FSAs) allow you to put money aside on a before-tax basis—the Health Care Reimbursement Account (HCRA) for eligible health care expenses and the Dependent Care Reimbursement Account (DCRA) for eligible dependent day care expenses. Contributions are deducted from your paycheck on a pretax (tax-free) basis—before federal, state, and Social Security (FICA) taxes are taken out. Because your Social Security benefits are based on earnings, your participation in the FSA may reduce this benefit, depending on the amount you earn.

Any expenses for reimbursement with 2015 contributions must be incurred in that year. Claims for eligible expenses incurred January 1 – December 31, 2015 may be submitted for reimbursement through March 31, 2016.

If you want to make FSA contributions in 2015, you must enroll during Open Enrollment, even if you are contributing in 2014. After Open Enrollment, you cannot make changes to your contributions except under certain limited situations. For information about permissible election changes go to https://benefits.llnl.gov/summary_plan_descriptions.html and see the *LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (SPD)*, Section 7, “Making Changes to Your Elections.” For specific questions regarding eligible FSA expenses, visit the ADP web site at www.myshps.com or see IRS Publications 502 and 503.

Health Care Reimbursement Account (HCRA)

The HCRA limit remains \$2,500 for 2015. HCRA allows you to set aside earnings on a before-tax basis to pay for eligible out-of-pocket health care expenses you and your eligible dependents incur in 2015. The amount you contribute to your account will reduce your taxable income.

Examples of eligible health care expenses are:

- Deductibles, co-payments, and co-insurance amounts not paid by your medical, dental, or vision plans
- Over-the-counter drugs, ***if prescribed by a doctor***, that are taken to alleviate or treat an injury or sickness
- Acupuncture not covered by your medical plan
- Orthodontia not covered by the dental plan
- Hearing aids

Keep your receipts for services paid with the ADP card as you may be asked to substantiate the expense to ensure they meet IRS requirements as an eligible item.

You and your dependents can pay for purchases directly from your HCRA account using a special debit card, reducing the number of claims you have to submit. The HCRA debit card works like a credit card, only funds are deducted from your HCRA account balance. If you are a new participant to the program for 2015, you will automatically receive a card when you enroll. If you have participated in 2014, keep your card as your 2015 annual election amount will be funded and added to the card effective January 1, 2015.

Remember that you forfeit any money you don't use so calculate your contributions carefully.

A calculator is available at www.myshps.com

Dependent Care Reimbursement Account (DCRA)

DCRA allows you to set aside money on a before-tax basis to pay for dependent day care expenses incurred in 2015, due to your or your spouse's employment or student status. The maximum amount you can contribute is \$5,000 per year (per family) if you're filing with the IRS as married filing jointly or as head of household, or \$2,500 per year if you're filing as married filing separately. This plan may be used for dependent day care expenses for children under age 13 or for disabled family members who qualify under IRS rules. The care provider must have a federal taxpayer identification or U.S. Social Security number. The amount you contribute to your spending account will reduce your taxable income. You are reimbursed by submitting receipts for eligible expenses to ADP with a reimbursement form available at www.myshps.com.

Remember that you forfeit any money you don't use so calculate your contributions carefully.

Depending on your personal income tax situation, you may get a greater tax savings with the Child Care Tax Credit than with DCRA. You may want to ask a tax advisor which alternative is best for you.

Accidental Death & Dismemberment Insurance (AD&D)

There are no AD&D plan design or rate changes in 2015. AD&D insurance protects you and your family from the unforeseen financial hardship of an accident that causes death, dismemberment, or loss of sight, speech, or hearing. The plan provides worldwide coverage for you and your enrolled family members. Coverage details can be found at <https://benefits.llnl.gov/>.

Changes to AD&D Insurance are not limited to Open Enrollment and are not part of the Open Enrollment *Self Service* process. **To make changes to AD&D coverage contact the Benefits Office at (925) 422-9955.**

Business Travel Accident Insurance

(LLNS paid)

There are no plan design changes to the Business Travel Accident benefit for 2015. Business Travel Accident insurance covers accidental death or dismemberment of Lab employees traveling on official LLNS business or while engaged in designated hazardous activities on behalf of LLNS.

If you are eligible, you will be covered 24 hours/day, worldwide, up to \$100,000. This coverage is in addition to other insurance you may have at the time of the accident. Please refer to the *LLNS Business Travel Accident Summary Plan Description* at <https://benefits.llnl.gov/>.

Beneficiaries

Open Enrollment is a good time to review your beneficiary designations. You may change your designated beneficiary at any time on LAPIS for Basic Life, Supplemental Life, AD&D, Business Travel Accident, and the Pension Plan (TCP1) Single Sum Death Benefit. Once your new designations are processed, all previous designations are invalid. **For questions on this, please contact the Benefits Office at (925) 422-9955.**

To designate a beneficiary for the LLNS 401(k) plan call Fidelity Investments at 1-800-835-5095 or visit their website at www.netbenefits.com.

Required Notices

Notice of Availability of Notice of Privacy Practices

The LLNS Health and Welfare Benefit Plan for Employees (the “Plan”) provides health benefits to eligible employees of Lawrence Livermore National Security, LLC (the “Company”) and their eligible dependents as described in the Summary Plan Document for the Plan. The Plan creates, receives, uses, maintains and discloses health information about participating employees and dependents in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan’s duties and privacy practices with respect to covered individuals’ protected health information (“PHI”), and has done so by providing to Plan participants a notice of privacy practices, which describes the ways that the Plan uses and discloses PHI. To receive a copy of the Plan’s notice of privacy practices, you can go to the LLNS Benefits web site <https://benefits-int.llnl.gov/> or contact the Benefits Office at (925) 422-9955.

The Women’s Health and Cancer Rights Act of 1998

The Women’s Health and Cancer Rights Act of 1998 requires that if a group health plan provides medical and surgical benefits for mastectomies, it must also provide coverage for reconstructive surgery and prostheses following mastectomies.

The law mandates that a participant or beneficiary who is receiving benefits under the plan for a covered mastectomy, and who elects breast reconstruction in connection with the mastectomy, will also receive coverage for:

- Reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce asymmetrical appearance.
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

This coverage will be provided in consultation with the patient and the patient’s attending physician and will be subject to the same annual deductible, co-insurance and/or co-payment provisions otherwise applicable under the plans.

Important Notice from LLNS about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with LLNS and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. LLNS has determined that the prescription drug coverage offered by the LLNS Health and Welfare Plan is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. This may mean that you may have to wait to join a Medicare drug plan and that you may pay a higher premium (a penalty) if you join later. You may pay that higher premium (a penalty) as long as you have Medicare prescription drug coverage. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a sixty (60) day Special Enrollment Period (SEP) because you lost creditable coverage to join a Part D plan. *In addition, if you lose or decide to leave employer sponsored coverage, you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period.* You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

If you do decide to join a Medicare prescription drug plan and drop your LLNS medical coverage (which includes prescription drug coverage), be aware that you and your dependents may not be able to get this coverage back until the calendar year after the following Open Enrollment period. Remember, your current LLNS medical coverage pays for other health expenses, in addition to prescription drugs. Contact the LLNS Benefits Office by telephone at 1-925-422-9955 or by mail at Lawrence Livermore National Security, LLC, Benefits Office, 7000 East Avenue, L-640, Livermore, CA 94550 for more information about what happens to your coverage if you join a Medicare prescription drug plan.

You should also know that if you drop or lose your coverage with LLNS and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 consecutive days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium may go up at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about this notice or your current prescription drug coverage:

Contact the LLNS Benefits Office by telephone at 1-925-422-9955 or by mail at Lawrence Livermore National Security, LLC, Benefits Office, 7000 East Avenue, L-640, Livermore, CA 94550 for further information.

NOTE: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through LLNS changes. You also may request a copy.

For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be

contacted directly by Medicare drug plans. For more information about Medicare drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

Patient Protection Disclosure Notice

Kaiser Permanente generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in their network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser at www.kp.org/llns or 1-800-464-4000. For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Kaiser Permanente or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Kaiser's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Kaiser at www.kp.org/llns or 1-800-464-4000.

The Anthem Blue Cross medical options do not require the designation of a primary care provider.
