### Tips For Claim Submission

- Dependent care expenses cannot be paid to anyone who is your child or stepchild under the age of 19 and claimed as a dependent on your tax returns.
- A dependent is defined as someone who spends at least 8 hours a day in your home and is one of the following:
  - **A tax dependent child for whom you have custody more than half of the year.**
  - **A dependent that is physically or mentally incapable of self care regardless of age.**
- Only submit claims for eligible expenses. Extended overnight camps, kindergarten or higher-grade tuition, non work-related day care or long-term care services are not eligible expenses. The only expenses considered eligible are those that are incurred while you or your spouse are working, looking for work, or attending school full time.

### Tips For Documentation

- Ensure that the documentation is legible.
- Cancelled or copies of checks and credit card receipts do not contain all 5 required pieces of information needed to approve your expense, and are not acceptable for submission.
- If multiple pieces of documentation are attached, please circle the dollar amount that is being claimed on each piece of documentation.
- The use of a highlighter causes items to not be legible on the documentation; highlighter use is not recommended.
- At the end of the tax year, you are required to provide the IRS with the provider name, address and Tax ID # on Tax Form 2441 in order to obtain the tax advantage for these expenses.

**CERTIFICATION AND AUTHORIZATION:** I certify that the information on this page is accurate and complete. I am requesting reimbursement for work-related dependent care expenses incurred by an eligible dependent (for a child under the age of 13 or other dependents that are physically and mentally incapable of taking care of themselves) while I was a participant in the plan.

By requesting reimbursement here, I confirm these services have already been provided and that I have not and will not seek reimbursement of this expense from any other plan or party. Use of the applicable service indicates my acceptance of the HealthEquity User Agreement at [www.HealthEquity.com](http://www.HealthEquity.com).

Optional provision: The Consolidated Appropriations Act (CAA) 2021, temporarily allows for an eligible employee to be reimbursed expenses for dependents through age 13 (i.e., dependents who have not yet turned 14) for the 2020 plan year. To qualify for this relief, you must have been enrolled on or before January 31, 2020 and you must have unused amounts from the 2020 plan year. In addition, you must have one or more dependents who attained the age of 13 during the 2020 plan year. You may also take advantage of this relief for the next plan year if unused grace period amounts from the 2020 plan year or other funds carried over into the 2021 plan year. Please refer to your plan documents to determine if this option is available under your plan.
