LAPIS

Making Changes to Your Benefits Online

To review your current enrollment information, log on to LAPIS, and click on the Benefits tile then Confirmation Statement.

Take a close look at the plans offered in 2023, evaluate plan coverages, and select the one that suits you and your family best. You can get information from the health plans' websites or contact the health plan directly for assistance with locating providers, covered medications and for any other specific questions you may have. Remember to enroll in the Health Care Reimbursement Account (HCRA) and the Dependent Care Reimbursement Account (DCRA) if you want to participate in 2023. Carefully review the costs of each plan—costs include your payroll deduction amounts plus your out-of-pocket costs—what you pay when you receive care (for example, deductibles, co-payments, etc.).

Enroll Using LAPIS

LAPIS is located at <https://LAPIS.llnl.gov> and is accessible from a Laboratory computer or through VPN. Log onto LAPIS Self Service and click on the Benefits tile then the Benefits Enrollment link.

Use LAPIS to:

- Check your current enrollments.
- Make any Open Enrollment transactions.
- Verify that your beneficiary designations are up-to-date.
- Confirm LLNS has your correct emergency contacts, home address and telephone numbers.

If you do not have VPN access to LAPIS or are on a Leave of Absence, you may be required to make your Open Enrollment changes using a paper form. Contact the Benefits Office at (925) 422-9955 to find out if a form is required.

You will receive a confirmation email the day after your changes have been submitted and accepted. Click the link in the email to review your confirmation statement.

Make sure the confirmation statement reflects your coverages correctly. **Be sure to keep your confirmation statement. It can serve as backup for proof of eligibility or coverage.**

During Open Enrollment you can make changes as often as you like.

Open Enrollment transactions must be made before **5:00 p.m. (PT) Friday, November 11, 2022.**

If you do not want to change any of your elections, no action is required during Open Enrollment. If you are participating in the HCRA and/or DCRA — then you must re-enroll in these plans to continue participation in 2023.

ENROLLING In Or Changing Your Benefit Elections

Open Enrollment is the only time during the calendar year when you can make changes to your medical, dental, or vision coverage, enroll/re-enroll in the HCRA and/or DCRA plans unless you experience a Qualifying Life Event.

Actions You Can Take During Open Enrollment

- Change to a different medical plan.
 - Change to a different dental plan (California residents only).
 - Opt out of your medical, dental, vision and/or legal plan; or enroll in a plan if you previously opted out.
 - Enroll eligible family members in your health plans.
 - Cancel health plan coverage for currently enrolled family members.
- Enroll or re-enroll in the Health Care Reimbursement Account (HCRA) – if currently enrolled, **you must re-enroll for 2023 to continue participating.**
 - Enroll or re-enroll in the Dependent Care Reimbursement Account (DCRA) – if currently enrolled, **you must re-enroll for 2023 to continue participating.**

Actions Permitted Outside Open Enrollment (Qualifying Life Event)

You can change your benefit elections outside of the Open Enrollment period if certain events occur, and if you make the change within 31 days of the event. Generally, the event must affect eligibility and the election change must be on account of and correspond with the event. In compliance with Section 125 of the Internal Revenue Code, medical, dental, vision, and spending account plan elections may be changed during the calendar year only if you have a Qualifying Life Event. Such events include:

- A change in your legal marital status, including marriage, divorce, death of your spouse or registered domestic partner, legal separation, or annulment.
- A change in the number of your tax dependents including through birth, adoption, placement for adoption, or death.
- Termination or commencement of employment by you, your spouse, registered domestic partner, or dependent.
- An event that changes your spouse's or registered domestic partner's, or your other dependent's employment status that results in gaining or losing eligibility for coverage.
- Your dependent's ability or inability to satisfy dependent eligibility requirements.
- A change in residence or work site by you, your spouse/registered domestic partner, or dependent that causes a loss of access to providers in your HMO plan's network.

Life Event Enrollments

Life Event changes can be processed in LAPIS, for more information visit our Benefits Website at <https://www.llnl.gov/join-our-team/benefits/annual-open-enrollment>.

Please Note: If you do not notify the Benefits Office within 31 days of the event, you will not be able to add a dependent or make any other coverage changes until the next Open Enrollment period, with benefit changes effective the following January 1.

Dependent Eligibility

If an enrolled family member loses eligibility during the year, you are responsible for de-enrolling that family member. Don't wait until Open Enrollment. A child who turns 26 is automatically de-enrolled by LLNS (legal wards are de-enrolled at 18). You are responsible for costs incurred in connection with the enrollment of an ineligible dependent and you could be subject to penalties associated with the misuse of the plan if you continue coverage for ineligible dependents who do not meet LLNS eligibility rules. For more information see the LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (July 2017) <https://www.llnl.gov/join-our-team/benefits/annual-open-enrollment>.

If you are covering a dependent child whose eligibility requires tax dependency and tax dependency is lost at any time. For questions regarding eligibility contact the Benefits Office at (925) 422-9955.

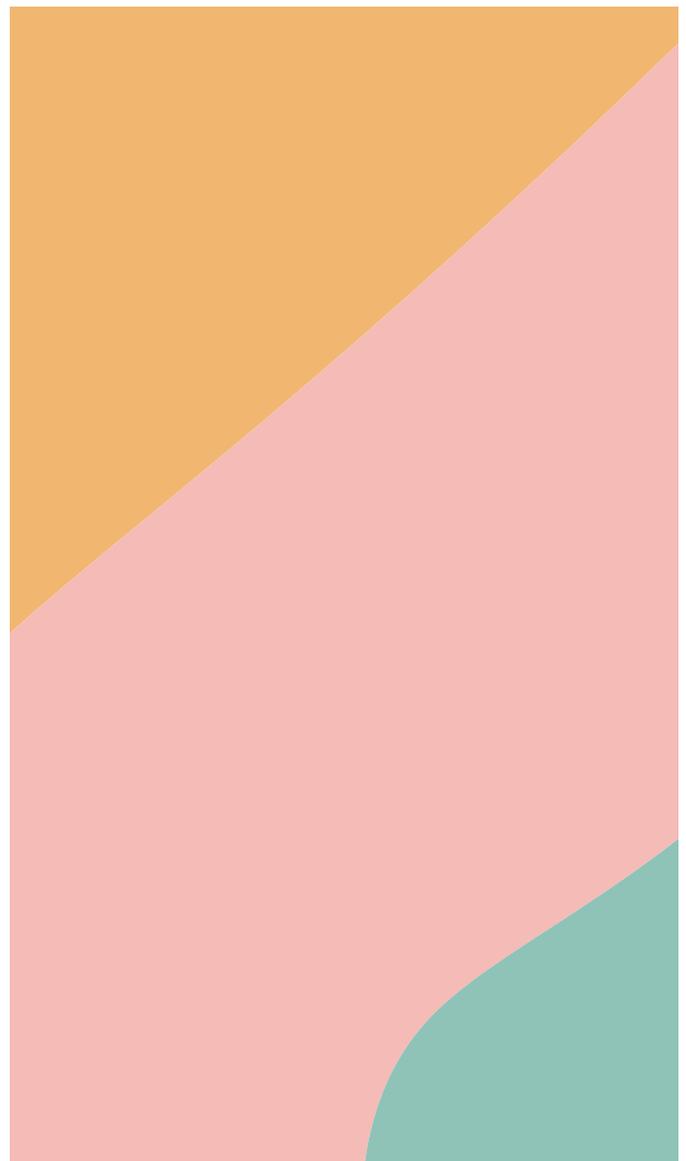

Disability and life insurance coverage can be changed at any time during the year.

At any time, if you want to enroll in or increase your disability coverage or your life insurance coverage, you must submit a Statement of Health to the applicable insurance carrier. Your application must be approved by the carrier before the coverage change goes into effect.

Contact the Benefits Office to make changes to these plans.

Dual Coverage

If you and your spouse/registered domestic partner are both LLNS employees and/or a retiree, one of you may cover the other as a dependent, or each of you may have separate coverage. However, only one of you may cover your children or the children of your spouse/registered domestic partner as dependents. You may change who covers the children during Open Enrollment.

ACCOUNTS

Flexible Spending Accounts

Flexible Spending Accounts (FSAs) allow you to put money aside on a before-tax basis. The Health Care Reimbursement Account (HCRA) for eligible health care expenses and the Dependent Care Reimbursement Account (DCRA) for eligible dependent day care expenses. Contributions are deducted from your paycheck on a pretax (tax-free) basis—before federal, state, and Social Security (FICA) taxes are withheld. Because your Social Security benefits are based on earnings, your participation in the FSA may reduce this benefit, depending on the amount you earn.

There is no rollover of unused contributions from 2022 to 2023 or 2023 to 2024. All eligible expenses must be incurred prior to December 31st of the plan year.

If you want to make FSA contributions in 2023, you must re-enroll during Open Enrollment, even if you are contributing in 2022. You cannot make changes to your contributions after

Open Enrollment except under certain limited situations or within 60 days after the end of the National Emergency Period, whichever is later. For information about permissible election changes go to <https://www.llnl.gov/join-our-team/benefits/annual-open-enrollment> and see the LLNS Health and Welfare Benefit Plan for Employees Summary Plan Description (SPD), Section 7, “Making Changes to Your Elections”. For specific questions regarding eligible FSA expenses, visit the WageWorks web site at www.healthequity.com/wageworks or see IRS Publications 502 and 503.

HealthEquity/WageWorks is the administrator for the FSAs. Please register at www.healthequity.com/wageworks. For assistance please call 877.924.3967.

Health Care Reimbursement Account (HCRA)

The HCRA limit is \$2,850 for 2023. HCRA allows you to set aside earnings on a before-tax basis to pay for eligible out-of-pocket health care expenses you and your eligible tax dependents incur in 2023. The amount you contribute to your account will reduce your taxable income.

Examples of eligible health care expenses are:

- Deductibles, co-payments, and co-insurance amounts not paid by your medical, prescription, dental, or vision plans
- Over-the-counter drugs
- Acupuncture not covered by your medical plan
- Orthodontia not covered by the dental plan
- Hearing aids

You and your dependents can pay for purchases directly from your HCRA account using a special debit card, reducing the number of claims you need to submit. The HCRA debit card works like a credit card, only funds are deducted from your HCRA account balance. If you are a new participant to the program for 2023, you will automatically receive a card when you enroll. If you have participated in 2022, keep your card as your 2023 annual election amount will be funded and added to the card effective January 1, 2023.

Remember that you forfeit any money you do not use so calculate in the calendar year so calculate your contributions carefully.

A calculator is available at www.healthequity.com/wageworks

Claims for eligible expenses incurred **January 1 – December 31, 2023** must be submitted for reimbursement by **March 31, 2024**.

Dependent Care Reimbursement Account (DCRA)

The anticipated DCRA limit for 2023 is \$5,000. DCRA allows you to set aside money on a before-tax basis to pay for dependent day care expenses incurred in 2023, due to your or your spouse's employment or student status. The maximum amount you can contribute is \$5,000 per year (per family) if you're filing with the IRS as married filing jointly or as head of household, or \$2,500 per year if you're filing as married filing separately. This plan may be used for dependent day care expenses for children under age 13 or for disabled family members who qualify under IRS rules. The care provider must have a federal taxpayer identification or U.S. Social Security number. The amount you contribute to your spending account will reduce your taxable income. You are reimbursed by submitting receipts for eligible expenses to HealthEquity/WageWorks with a reimbursement form available at www.healthequity.com/wageworks

Remember that you forfeit any money you do not use so calculate your contributions carefully.

Claims for eligible expenses incurred **January 1 – December 31, 2023** must be submitted for reimbursement by **March 31, 2024**.

Keep your receipts for services paid with the HealthEquity/WageWorks card as you may be asked to substantiate the expense to ensure it meets IRS requirements as an eligible item.

Depending on your personal income tax situation, you may get a greater tax savings with the Child Care Tax Credit than with DCRA. You may want to ask a tax advisor which alternative is best for you.

REQUIRED NOTICES

Notice of Availability of Notice of Privacy Practices

The LLNS Health and Welfare Benefit Plan for Employees (the “Plan”) provides health benefits to eligible employees of Lawrence Livermore National Security, LLC (“LLNS”) and their eligible dependents as described in the Summary Plan Description for the Plan. The Plan creates, receives, uses, maintains and discloses health information about participating employees and dependents in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan’s duties and privacy practices with respect to covered individuals’ protected health information, (“PHI”), and has done so by providing to Plan participants a notice of privacy practices, which describes the ways that the Plan uses and discloses PHI to receive a copy of the Plan’s notice of privacy practices, you can go to the LLNS Benefits web site <https://www.llnl.gov/join-our-team/benefits> or contact the Benefits Office at (925) 422-9955.

The Women’s Health and Cancer Rights Act of 1998

The Women’s Health and Cancer Rights Act of 1998 requires that if a group health plan provides medical and surgical benefits for mastectomies, it must also

provide coverage for reconstructive surgery and prostheses following mastectomies. The law mandates that a participant or beneficiary who is receiving benefits under the plan for a covered mastectomy, and who elects breast reconstruction in connection with the mastectomy, will also receive coverage for:

Reconstruction of the breast on which the mastectomy was performed.

Surgery and reconstruction of the other breast to produce a symmetrical appearance.

Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

This coverage will be provided in consultation with the patient and the patient’s attending physician and will be subject to the same annual deductible, co-insurance and/or co-payment provisions otherwise applicable under the plans.

Important Notice from LLNS about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it.

This notice has information about your current prescription drug coverage with LLNS and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

LLNS has determined that the prescription drug coverage offered by the LLNS Health and Welfare Plan is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this

coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from **October 15th through December 7th**. This may mean that you may have to wait to join a Medicare drug plan and that you may pay a higher premium (a penalty) if you join later. You may pay that higher premium (a penalty) as long as you have Medicare prescription drug coverage. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a sixty (60) day Special Enrollment Period (SEP) because you lost creditable coverage to join a Part D plan. In addition, if you lose or decide to leave employer sponsored coverage, you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period. You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. If you do decide to join a Medicare prescription drug plan and drop your LLNS medical coverage (which includes prescription drug coverage), be aware that you and your dependents may not be able to get this coverage back until the calendar year after the following Open Enrollment period. Remember, your current LLNS medical coverage pays for other health expenses, in addition to prescription drugs. Contact the LLNS Benefits Office by telephone at **(925) 422-9955** or by mail at **Lawrence Livermore National Security, LLC, Benefits Office, 7000 East Avenue, L-642, Livermore, CA 94550** for more information about what happens to your coverage if you join a Medicare prescription drug plan. You should also know that if you drop or lose your coverage with LLNS and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 consecutive days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium may go up at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have

to wait until the following October to join.

For more information about this notice or your current prescription drug coverage: Contact the LLNS Benefits Office by telephone at **(925) 422-9955** or by mail at **Lawrence Livermore National Security, LLC, Benefits Office, 7000 East Avenue, L-642, Livermore, CA 94550** for further information. **Note: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through LLNS changes.** You also may request a copy. For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans unless, you sign up to receive it electronically. For more information about Medicare drug coverage:

www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help Call **(800) MEDICARE (800) 633-4227**. TTY users should call **(877) 486-2048**.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help visit Social Security on the web at **www.socialsecurity.gov** or call them at **(800) 772-1213 [TTY (800) 325-0778]**.

Remember:

Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

Patient Protection Disclosure Notice

Kaiser Permanente generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in their network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente designates one for you. For information on how to select a primary care

provider, and for a list of the participating primary care providers, contact Kaiser at www.kp.org/llns or **(800) 464-4000**. For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Kaiser Permanente or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Kaiser's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Kaiser at www.kp.org/llns or **(800) 464-4000**. The Anthem Blue Cross medical options do not require the designation of a primary care provider.

HIPAA Special Enrollment Rights

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), if you are declining enrollment in medical/vision/dental coverage for yourself or your eligible dependents (including your spouse, domestic partner, dependent children and domestic partner's dependent children) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in medical/vision/dental coverage if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, placement for adoption, or foster care, you may be able to enroll yourself and your dependents. Your special enrollment request must be made within 31 days after the marriage, birth, adoption, placement for adoption or foster care. Contact the Benefits Office at **(925) 422-9955** for more information.
