- Your doctor or hospital is no longer in your plan's network

independent broker or directly through the plan or you may lose your HRA funding.

When calling Via Benefits

Enter your information when prompted. This will bring up your information to the representative and reduce repeating your information.

Schedule an appointment—appointments are given on a first come, first served basis. New appointments may be added as advisors become available. Appointment availability is spread throughout the enrollment period.

Expect to be on hold when calling during your scheduled appointment time. Your advisor may be ending a call with the previous retiree. Appointment times are estimates.

PLEASE NOTE: The best time to call is in the afternoon or later in the week. Monday/Tuesday mornings are very busy.

About Empyrean

If you made arrangements to have HRA payments made directly to Empyrean, they will automatically continue in 2026. All Retirees & Eligible Dependents

Actions You Can Take During Open Enrollment

Open Enrollment is the only time during the calendar year when you can make changes to your medical, dental, legal, or vision coverage unless you experience a Qualifying Life Event.

- Enroll in a different medical plan.
- Enroll in the dental, legal, or vision plan.
- Change to a different dental plan (California residents only).
- Change Vision Plans.
- Suspend your medical and/or dental plan; or enroll in a plan if you previously suspended coverage.
- Enroll eligible family members in your medical, dental, vision and legal plans.
- Cancel health plan coverage for currently enrolled family members.

NOTE: If you are covering a dependent child whose eligibility requires tax dependency and tax dependency is lost at any time, promptly notify Empyrean at (844) 750-5567.

Actions Permitted Outside of Open Enrollment (Qualifying Life Event)

You can change your benefit elections outside of Open Enrollment if certain events occur within 31 days of the Qualifying Life Event. Generally, the event must affect eligibility, and the election change must be due to and correspond with the event. Medical, dental, legal, and vision plan elections may be changed during the calendar year only if you have a Qualifying Life Event. Such events include:

- A change in your legal marital status or registered domestic partnership, including marriage, divorce, death of your spouse or registered domestic partner, legal separation, or annulment.
- A change in the number of your tax dependents including through birth, adoption, placement for adoption, or death.
- A change in employment status by you, your spouse, registered domestic partner, or dependent that results in gaining or losing eligibility for coverage.
- Your dependent's ability or inability to satisfy dependent eligibility requirements.
- A change in residence by you, your spouse, or registered domestic partner, or dependent that causes you to lose access to providers in your plan's network.
- For more information, see the LLNS Health and Welfare Benefit Plan for Retirees Summary Plan Description (October 2017) located at <https://www.llnl.gov/sites/www/files/2021-06/LLNS-Retirees-SPD.pdf>

NOTE: If you do not notify Empyrean within 31 days of the event, you will not be able to add a dependent or make any other changes until the next Open Enrollment period, with benefit coverage effective the following January.

Dependent Eligibility

If an enrolled family member loses eligibility during the year, you are responsible for de-enrolling that family member. Do not wait until Open Enrollment. A child who turns 26 is automatically de-enrolled by LLNS (legal wards are de-enrolled at age 18). You are responsible for costs related to the enrollment of ineligible family members and you could be subject to costs associated with the misuse of the plan if you continue coverage for family members who no longer meet LLNS eligibility rules. For more information see the LLNS Health and Welfare Benefit Plan for Retirees Summary Plan Description (October 2017). Questions about eligibility should be directed to Empyrean’s Customer Care Center at (844) 750-5567.

If you and your spouse or registered domestic partner are both LLNS employees/retirees, one of you may cover the other as a dependent, or each of you may have separate coverage. However, only one of you may cover each of your children or the children of a registered domestic partner as dependents. You may change who covers them during the open enrollment period.

Dental Benefit Choices

- Delta Dental PPO (Nationwide)
- DeltaCare USA DMO (Available in California only)

There are no dental plan design changes for 2026. A dental plan comparison chart is on page 29 . Plan coverage details for 2026 are available by contacting Empyrean’s Customer Care Center (844) 750-5567 or at www.llnsretireebenefits.com. Please note there is a difference in the networks between these two plans. The Delta Dental PPO plan allows you to see any licensed dentist. The DeltaCare USA plan limits access to DeltaCare USA network dentists. If you have elected DeltaCare USA, make sure your dentist participates in the network and accepts new patients by calling DeltaCare USA at (800) 422-4234.

Legal Insurance

MetLife Legal Plan is the country’s largest provider of group legal benefits. The plan covers members, spouses, and dependents and gives them access to more than 18,000 attorneys who can provide legal consultation and representation on a broad range of covered issues. The cost of the MetLife Base Plan covers services such as divorce without an hour limit, probate, custody and child support matters, Aura identity theft, and personal property matters. There are no changes to rates for 2026.

With the MetLife Enhanced Plan, you have all the covered services in the Base Plan, plus fully covered attorneys’ fees for trusts, affidavits, traffic tickets, deeds, tenant negotiations, and caregiver resources. You also have 20 hours available for reproductive legal matters related to surrogacy, egg donation, embryo donation, caregiver resources and more.

Finally, cover your loved ones with the MetLife Enhanced Plan–Plus Parents. With this plan, you and your dependents will be covered under the Enhanced Plan design. This plan also covers up to eight parents in your legal plan and provides them access to services, including estate planning and eldercare issues. Parent(s) are only covered for a subset of full plan coverage. Legal plan billing is handled by Empyrean. Plan payments can be made to them by direct debit or check. Additional information on covered benefits can be found at <https://www.llnl.gov/join-our-team/benefits/health-welfare/legal-insurance>.

You will remain enrolled in the Vision Discount if you do not elect the Vision Choice plan. For the Vision Choice plan, the monthly premium is fully paid by you.

See the chart on page 30 for a comparison of the benefit coverages for the two options. To locate a VSP provider, log on to www.vsp.com or call (800) 877-7195. To enroll in the Vision Choice plan, contact Empyrean at (844) 750-5567 or log on to www.llnsretireebenefits.com.

Medicare “Split Family” Enrollment

When a retiree and/or dependent reaches age 65, he or she becomes eligible to participate in a Medicare plan. If a retiree is Medicare eligible and a spouse/registered domestic partner is not (or vice versa), this is known as a “split family”. Each person’s corresponding available options will appear on the enrollment worksheet you will receive from Empyrean and on the LLNS Retiree Benefits website so that separate elections can be made. All retirees and dependents in a “split family” situation are able to review and make separate elections based on their individual eligibility. If you or your dependent will become Medicare eligible in 2026, you will receive information on your new enrollment options about 120 days prior to your or your dependent’s 65th birthday.

Direct Debit

You can authorize Empyrean to deduct the balance due each month from your personal bank account. Direct debit is easy to set up and secure. If you are interested in setting up direct debit, you can enroll online at www.llnsretireebenefits.com and click the Billing Services link on the homepage or you can call Empyrean at (844) 750-5567 and select option 1 to request an ACH Form. Deductions are made approximately the fifth business day of the month.

Beneficiaries

Open Enrollment is a good time to review your beneficiary designations. You may change your designated beneficiary at any time and once your new designations are processed, all previous designations are invalid.

Contact the following organizations to change your beneficiary designation:

Required Notices

Notice of Availability of Notice of Privacy Practices

The LLNS Health and Welfare Benefit Plan for Retirees (the “Plan”) provides health benefits to eligible retirees of Lawrence Livermore National Security, LLC (the “Company”) and their eligible dependents as described in the Summary Plan Description for the Plan. The Plan creates, receives, uses, maintains, and discloses health information about participating retirees and dependents in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan’s duties and privacy practices with respect to covered individuals’ protected health information (“PHI”), and has done so by providing to Plan participants a notice of privacy practices, which describes the ways that the Plan uses and discloses PHI. To receive a copy of the Plan’s notice of privacy practices, you can go to the Benefits web site <http://benefits.llnl.gov> (select “Retirees” tab and click on “Privacy Notice”).

The Women’s Health and Cancer Rights Act of 1998

The Women’s Health and Cancer Rights Act of 1998 requires that if a group health plan provides medical and surgical benefits for mastectomies, it must also provide coverage for re-constructive surgery and prostheses following mastectomies. The law mandates that a participant or beneficiary who is receiving benefits under the plan for a covered mastectomy, and who elects breast reconstruction in connection with the mastectomy, will also receive coverage for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

This coverage will be provided in consultation with the patient and the patient’s attending physician and will

be subject to the same annual deductible, co-insurance and/or co-payment provisions otherwise applicable under the plans.

Important Notice from LLNS about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with LLNS and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. This information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- LLNS has determined that the prescription drug coverage offered by the LLNS Health and Welfare Plan is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage pays and is considered Creditable Coverage. Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th

through December 7th. However, if you lose creditable prescription drug coverage, through no fault of your own, you will be eligible for a two-month Special Enrollment Period (SEP) to join a Part D plan because you lost creditable coverage. In addition, if you lose or decide to leave employer sponsored coverage, you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period. You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

If you do decide to join a Medicare prescription drug plan and drop your LLNS medical coverage (which includes prescription drug coverage), be aware that you and your dependents may not be able to get this coverage back until the calendar year after the following Open Enrollment period. Remember, your current LLNS medical coverage pays for other health expenses, in addition to prescription drugs. Contact Via Benefits for more information about what happens to your coverage if you join a Medicare prescription drug plan. You should also know that if you drop or lose your coverage with LLNS and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 consecutive days or longer without prescription drug coverage that is at least as good as Medicare's prescription drug coverage, your monthly premium may go up at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Contact Via Benefits at (866) 682-4841 for further information. More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare, unless you sign up to receive it electronically. You may also be contacted directly by Medicare drug plans. For more information about Medicare drug coverage:

NOTE: You will get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through LLNS changes.

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227); TTY users should call (877) 486-2048

Patient Protection Disclosure Notice

Kaiser Permanente generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in their network and who is available to accept you or your family members. Until you make this designation, Kaiser Permanente designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Kaiser at <https://choose.kp.org/llns> or (800) 464-4000. For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Kaiser Permanente or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in Kaiser's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Kaiser at <https://choose.kp.org/llns> or (800) 464-4000. The Anthem Blue Cross medical options do not require the designation of a primary care provider.

HIPAA Special Enrollment Rights (Health Insurance Portability and Accountability Act of 1996)

If you are declining enrollment in medical/dental coverage for yourself or your eligible dependents (including your spouse, registered domestic partner, dependent children and registered domestic partner's dependent children) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in medical/dental coverage if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent due to marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. Your special enrollment request

must be made within 31 days after the marriage, birth, adoption, or placement for adoption. Contact Empyrean at (844) 750-5567 for more information.

Summary of Benefits and Coverage Notice of Availability

The Affordable Care Act passed in 2010 requires group health plans to provide participants with a uniform Summary of Benefits and Coverage (SBC) that allows individuals to compare medical plan options on an “apples-to-apples” basis across insurance companies, employer plans, etc. For LLNS, there is an SBC for each group medical plan option:

- Anthem Blue Cross Plus
- Anthem Blue Cross PPO
- Anthem Blue Cross EPO
- Anthem Blue Cross Core Value
- Anthem Blue Cross HDHP

Kaiser Permanente

The SBCs for LLNS’ plans are posted on the Empyrean LLNS Retiree website www.llnsretireebenefits.com or on the LLNS Benefits website <https://benefits.llnl.gov>. You also have the right to request a hard copy of the SBC(s) free of charge by calling the Empyrean Customer Care center at (844) 750-5567. Please note that these SBCs do not apply to you if your coverage is through an individual policy administered by Via Benefits

Summary Annual Report For LLNS Health & Welfare Benefit Plan For Retirees

This is a summary of the annual report of the LLNS Health & Welfare Benefit Plan for Retirees (Employer Identification Number 20-5624386, Plan Number 502) for the plan year 01/01/2024 through 12/31/2024. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Lawrence Livermore National Security LLC has committed itself to pay certain medical and dental claims incurred under the terms of the plan.

Insurance Information

The plan has insurance contracts with Kaiser Foundation Health Plan Inc., Delta Dental of California, National Union Fire Ins. Co. of Pittsburgh, PA, MetLife Legal Plans, Vision Service Plan and Metropolitan General Insurance Company to pay certain medical, dental, vision, accidental death & dismemberment and legal claims incurred under the terms of the plan. The total premiums paid for the plan year ending 12/31/2024 were \$44,126,241.

Because they are so called “experience-rated” contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending 12/31/2024, the premiums paid under such “experience-rated” contracts were \$317,128 and the total of all benefit claims paid under these experience-rated contracts during the plan year was \$346,894.

Your Rights to Additional Information

You have the right to receive a copy of the full annual report, or any part thereof, on request. The items listed below are included in that report:

Insurance information, including sales commissions paid by insurance carriers.

To obtain a copy of the full annual report, or any part thereof, write or call the plan administrator, at 7000 East Avenue Mail Stop L-642, Livermore, CA 94550 and phone number, 925-422-9955.

Medical

For Those Not Eligible for Medicare

Plan Changes for 2026

- Anthem Blue Cross HDHP deductible will be \$1,700 for individual and \$3,400 for family.
- Kaiser In Vitro Fertilization update
- Anthem Breast Cancer screening process changes
- CVS will contact eligible members and offer Hello Heart and/or a Weight Management program
- Rates for 2026 will be provided by Empyrean in a separate mailing.
- **IMPORTANT:** Details are contained in the medical plan comparison chart that begins on page 22.
- Be sure to carefully review this information.

Anthem Blue Cross Plus, PPO, and Core Value

Anthem Blue Cross will keep track of two different types of health insurance deductibles for each family member: the individual deductible and the family deductible. When a family member has met the individual deductible amount, Anthem Blue Cross begins paying for this person's expenses, but not the health care expenses of other family members. If other family members have paid enough in individual deductibles that added together meet the family deductible, Anthem Blue Cross begins paying the health care expenses for the entire family, even the family members that haven't paid anything at all toward their individual deductible. This process is known as an embedded deductible.

Via Benefits will continue to administer medical benefits and the HRA for all Medicare eligible enrollees not in KPSA of California.

You must be enrolled in KPSA (Outside of California) or a medical plan through Via Benefits to receive the HRA for 2026.

Empyrean Open Enrollment lines open at 7:00 a.m. Pacific time on Monday, October 27, 2025. The last day to make an election is Friday, November 14, 2025, 5:00 p.m. Pacific time.

Suspend your Kaiser coverage to elect medical through Via Benefits if you want to change your medical coverage to a plan other than Kaiser. You will then need to contact Via Benefits at (866) 682-4841 to enroll in another medical plan. If you elect a plan other than KPSA, all Medicare eligible participants in your family must also select a new plan through Via Benefits.

Health Reimbursement Arrangement (HRA)

Each year LLNS contributes a designated amount to your HRA—a special, tax-free, employer-funded account you use to pay for eligible medical expenses and prescription drugs. The employer contribution is prorated to your graduated eligibility based on your years of service determined at the time of your retirement. For 2026, the maximum contribution will remain at \$2,450 for each Medicare eligible retiree and Medicare eligible dependent.

Any unused amount in your HRA will rollover to the next year. Further details about KPSA of California coverage and the HRA are available from the Kaiser HRA Payment Center at (877) 761-3399.

Your benefit dollars will be placed in an HRA account that you can use to pay for eligible medical expenses and prescription drugs.

You pay the full cost of your KPSA of California premiums and can use the money in your HRA account for reimbursement of this cost.

If you made arrangements to have HRA payments made directly to Empyrean they will automatically continue in 2026. If you would like to opt out of HRA payments being made directly to Empyrean, please contact the Kaiser HRA payment Center at (877) 761-3399.

To request reimbursement for out of pocket medical or prescription expenses, contact Kaiser HRA Payment Center at (877) 761-3399.

If one Medicare eligible person in your family elects KPSA, then all Medicare eligible persons must enroll. You cannot split between KPSA and an individual Medicare plan through Via Benefits.

What You Need to Do During Open Enrollment

Review all information received

The Personal Enrollment Worksheet you receive from Empyrean provides all available options and rates which are offered through Empyrean. Plan offerings through Via Benefits are not represented in this Worksheet. If your current medical plan election states “No Coverage” this may be because you have enrolled in a plan through Via Benefits or have suspended your coverage.

Via Benefits will continue to administer health care benefits for Medicare eligible enrollees not enrolled in Kaiser of California. Carefully review all Open Enrollment information you receive to make the best decision for your situation.

If you do not make a new plan selection with Via Benefits, you will remain in the same plan in 2026.

You must be enrolled in a medical plan through Via Benefits or Kaiser (Outside of California) to receive HRA contributions for 2026.

If you have been notified that your current plan will be terminating, you must contact Via Benefits to select a new plan.

Please note that while your plan will continue in 2026, benefits and costs may change. Review all information from your individual plan.

There are limitations on when you can change plans with certain Medicare plans. Make sure to discuss your options with a Via Benefits Benefit Advisor.

Via Benefits

Via Benefits will continue to administer health care benefits (except for KPSA in California) for Medicare-eligible retirees and their Medicare-eligible dependent(s), providing you with a wide array of coverage options and allowing you to personalize your coverage and control your costs. Dental, Vision and Legal plan coverage remain with Empyrean.

As experts in the Medicare market, Via Benefits Benefit Advisors can help you find and enroll in a plan that best fits your needs and budget. Coverage for non-Medicare eligible enrollees remains with Empyrean. If you or any eligible family member becomes Medicare eligible midyear the coverage will be moved to Via Benefits unless you enroll in KPSA in California.

If you are satisfied with your current health care coverage and do not wish to make any changes, there is no need to contact Via Benefits. If you have been notified that your current plan will be terminating, you must contact Via Benefits to select and enroll in another plan.

Via Benefits offers individual dental and vision plans for you to purchase. However, there is a cost. Make sure to compare benefits and costs against LLNS benefits offered through Empyrean before purchasing.

California Birthday Rule

(Applies in California only. New York, Connecticut, Oregon, Maine, and Missouri have similar laws.)

California has a unique supplement law known as the birthday rule that allows residents to enroll for Medicare supplements with a different insurance company for 60 days following their birthday without medical underwriting. The new Medigap plan must offer either the same benefits or fewer benefits, and companies are not allowed to deny new applicants for health reasons. (This rule does not apply to Medicare Advantage plans).

KPSA Outside of California

KPSA is available to retirees living outside California (in parts of Colorado, Georgia, Hawaii, Oregon, Washington, and mid-Atlantic states (Maryland, Virginia, and Washington DC)). If you live outside California and want to change to the KPSA plan, follow these steps to enroll:

Call Kaiser at (866) 955-8510 to request an individual enrollment kit for your area or log on to kp.org/Medicare.

Remember:

Please note that Empyrean Open Enrollment lines open at 7:00 a.m. Pacific time on Monday, October 27, 2025. The last day to make an election is Friday, November 14, 2025, 5:00 p.m. Pacific time. After your election has been made, a confirmation statement will be mailed to your address of record.

Complete the Kaiser Permanente Medicare enrollment form and send it in per the instructions on the form.

After you receive confirmation of your enrollment, notify Via Benefits by submitting proof of enrollment (e.g. KPSA card, enrollment letter).

Via Benefits will continue to administer the HRA for retirees enrolled in a KPSA plan outside of California. The address is:

Hunter Christensen

Willis Towers Watson Via Benefits
38 East Scenic Pointe Drive, Suite 200
Draper, UT 84020

Via Benefits will send you an HRA enrollment kit after receiving your confirmation of enrollment in a KPSA plan.

Health Reimbursement Arrangement (HRA)

Each year LLNS contributes a designated amount to your HRA—a special, tax-free, employer-funded account you use to pay for eligible medical expenses and prescription drugs. You must be enrolled in a Medicare plan through Via Benefits to be eligible for the HRA funds. The employer contribution is prorated to your graduated eligibility based on your years of service determined at the time of your retirement. For 2026, the maximum contribution will remain at \$2,450 for each Medicare eligible retiree and Medicare eligible dependent. There is no reimbursement for Part B but your HRA money can be used for this expense. Any unused amount in your HRA will rollover to the next year. Further details about the HRA are available from Via Benefits. Your benefit dollars will be placed in an HRA account that you can use to pay for eligible medical expenses and prescription drugs.

- You pay the full cost of your premiums and can use the money in your HRA account for reimbursement of this cost.
- Check with Via Benefits to see if your medical and prescription drug plans are eligible for auto reimbursement.

* You have a right to receive timely and geographically accessible Mental Health/Substance Use Disorder (MH/SUD) services when you need them. If Health Plan fails to arrange those services for you with an appropriate provider who is in the health plan's network, the health plan must cover and arrange needed services for you from an out-of-network provider. If that happens, you do not have to pay anything other than your ordinary in-network cost-sharing. If you do not need the services urgently, your health plan must offer an appointment.

Note: If there is a discrepancy between the benefits as described in the charts and the benefits as described in the Summary of Benefits and Coverage, Evidence of Coverage documents or other plan administrator's systems (together "Plan Administrator's Systems"), the Plan Administrator's Systems govern for determining benefit coverage.
