

Protect your identity stay a step ahead of fraud

Comprehensive identity
and fraud protection services

Our movements and transactions are all recorded and tracked in the digital age. And between ourselves, our partners, kids, and parents, there are too many ways for online predators to steal our financial and personal information. Staying safe online requires requires vigilance, time, and resources which most of us don't have. That's where comprehensive identity theft and fraud protection with Aura comes in handy.

Potential damages from having your identity stolen:

- Stolen money or assets
- Having debts accrued in your name
- Compromised personal identifiers (such as your Social Security number or date of birth)
- Tarnished credit history
- Stolen medical records
- Complications with the law (if further crimes are committed with your stolen identity)

With Aura, you receive proactive monitoring of your personal and financial information, such as your bank and investment accounts, credit files, passport and Social Security number, social media, online account credentials, email addresses, and other sensitive information. Plus, you can extend protection to up to 10 additional adults and unlimited minors. Couple this with the many other valuable services available with MetLife Legal Plans for help navigating through life's unplanned events.

Consider this scenario:¹

Ada has multiple streams of income: from her full-time job and as a social media influencer. Her investment strategy includes traditional markets, cryptocurrency, and leveraging different investment apps. It's difficult to keep track of passwords and security information across all her business and social accounts. While these platforms promise to take security seriously, Ada knows that cyber hackers are sophisticated and worries she will be targeted the more successful her influencer business becomes. So, she chooses to take advantage of Aura's Identity & Fraud Protection through MetLife Legal Plans.

Having an identity theft protection plan she can manage from the all-in-one Aura mobile app makes it easy to manage. Plus, their recovery features, which include up to \$5 million in identity theft insurance,² gives her the confidence to focus on building her empire.
